

REPRINTED BILL

Bill No. 16 of 1946.

A BILL TO AMEND THE UNIVERSITY ACT

NOTE.

Section 1 of the Bill introduces a new subsection to section 29 which protects the Board of Governors and Senate from liability for acts of the student body. This provision was included in the former University Act by an amendment passed in 1935. When the new University Act was passed in 1942 it was inadvertently omitted.

The amendment made by section 2 of the Bill is occasioned by a reorganization in the Department of Education.

Section 80 of the Act which is amended by section 3 of the Bill gives the University the right to demand that an undertaker or public officer or hospital or penal institution, etc., having charge of the body of a deceased person which is unclaimed and would require to be buried at public expense, hand it over to the University. The new subsections simplify the enforcement of the above privileges. These subsections were first enacted in 1929 as amendments to the old University Act and when the new University Act was passed they were inadvertently omitted.

Legislative Counsel.
