

Bill No. 84 of 1948.

AN ACT TO AMEND THE SALE OF GOODS ACT

---

NOTE.

This Bill amends *The Sale of Goods Act*.

A new subsection (2) is added to section 26. This subsection provides that where cattle, sheep or swine are delivered to live stock yards and are purchased or accepted by a live stock marketing or live stock shipping organization, whether co-operative or not, for consignment to a packing plant or live stock commission firm, the live stock marketing or live stock shipping organization acquires a good title to the live stock, if it buys or accepts for consignment or otherwise deals in the live stock in good faith and without actual knowledge of any defect or want of title on the part of the seller or person delivering the same.

This amendment puts live stock dealers in the same position as section 26 places grain dealers.
