

Bill No. 63 of 1949.

A BILL TO AMEND THE BOILERS ACT.

NOTE.

This Bill amends *The Boilers Act*, being chapter 307 of the Revised Statutes of Alberta, 1942.

Section 2 which is the interpretation section is amended by the addition of a definition of the expression "liquefied petroleum gas container". The definition of "pressure vessel" is also amended to include a reference to liquefied petroleum gas containers. The effect of these two amendments is that the sections of the Act relating to pressure vessels are now applicable to liquefied petroleum gas containers.

Acting Legislative Counsel.
