

Bill No. 87 of 1949.

A BILL TO AMEND THE ALBERTA LIVE STOCK AND
LIVE STOCK PRODUCTS ACT.

NOTE.

This Bill amends *The Alberta Live Stock and Live Stock Products Act*, being chapter 88 of the Revised Statutes of Alberta, 1942.

Section 4 is amended. The word "order" is struck out of subsections (1) and (2) and the word "regulation" is substituted. The word "regulation" is defined in the interpretation section and it is used elsewhere throughout the Act. This section deals with regulations made by the Lieutenant Governor in Council and it would appear to be more appropriate to use the term "regulation" rather than the term "order".

Section 4 (1) (b) is struck out and two new paragraphs are substituted instead. The first paragraph enables the Lieutenant Governor in Council to prescribe designated areas and to make special rules and regulations applicable to such designated areas relating to licensing, grading, packing, marking and sale of live stock and live stock products in such designated areas. The second paragraph substituted is similar to the one which was struck out, having been reworded for purposes of clarification only.

Section 4 (6) is struck out and a new subsection is substituted. The effect of this amendment is to enable licensing of producers who sell directly to retailers or consumers.

KENNETH A. MCKENZIE,
Acting Legislative Counsel.

(This note does not form any part of the Bill but is offered in explanation of its provisions.)
