

Bill No. 109 of 1949.

A BILL TO AMEND THE DRAINAGE DISTRICTS ACT.

NOTE.

This Bill amends *The Drainage Districts Act*, being chapter 99 of the Revised Statutes of Alberta, 1942.

Section 25 of the Act is amended by substituting the Department of Lands and Forests for the Department of Lands and Mines. The amendment is necessary because of the division of the Department of Lands and Mines into two new Departments.

Section 26 is amended by striking out the reference to the Department of Lands and Mines and by substituting the Department of Municipal Affairs because the administration of special areas is now under the Department of Municipal Affairs.

Section 79 is amended because as a result of instructions issued by the Postmaster-General the consent of a Post Office Inspector must now be obtained before a notice may be posted in a post office. This consent cannot always be obtained so the mandatory requirement is being removed from this section of the Act.

The Act is to come into force on the first day of April, 1949 because that is the date on which the two new Departments of Lands and Forests and Mines and Minerals come into existence.

KENNETH A. MCKENZIE,
Acting Legislative Counsel.

(This note does not form any part of the Bill but is offered in explanation of its provisions.)
