

Bill No. 26 of 1951.

A BILL TO PROVIDE FOR THE REGULATION OF  
AERIAL PHOTOGRAPHIC SURVEYS

---

NOTE.

This Bill enacts a new Act to be known as *The Aerial Photographic Survey Act*.

It provides that before any person takes or makes an aerial photographic survey of any natural resources or lands in the Province he shall apply for a license to do so.

The application goes to the Director of the Technical Division of the Department of Lands and Forests. The licensee must pay the license fee prescribed by the Minister.

Each applicant who does not maintain a place of business within the Province is required to post a cash bond as security that the survey will be conducted in accordance with this Act and the regulations. The bond is refundable after the survey is completed, if the Minister is satisfied that the licensee has complied with, and conducted his survey in accordance with the Act and the regulations. Each license expires on the thirty-first day of March when it may be renewed.

The licensee is required to report monthly to the Director on the progress of the survey and is required to comply fully with all terms and conditions of the license.

The licensee is required to submit a complete report to the Director, together with maps and photographs setting forth all data obtained as a result of the survey. If a licensee withdraws from the Province before completing a survey he is required to deliver to the Director all preliminary data and actual photographs obtained by him prior to discontinuation of the survey.

The licensee cannot assign his license without the consent of the Minister. If the licensee fails to comply with the Act or the regulations the Minister may cancel his license. Where this is done the bond is forfeited, and no further license will be issued to the licensee until he complies with all provisions of the Act and regulations.

The Lieutenant Governor in Council may make regulations to facilitate the administration of the Act.

The Bill comes into force upon assent.

KENNETH A. MCKENZIE,  
*Legislative Counsel.*
