

Bill No. 29 of 1952.

A BILL TO AMEND THE ECONOMIC RESEARCH
BUREAU ACT.

NOTE.

This Bill amends *The Economic Research Bureau Act*, being chapter 8 of the Statutes of Alberta, 1948.

A new section 3a is added immediately after section 3. The economic research authorized by this Act is now largely undertaken by the Economic Research Branch of the Department of Economic Affairs under the supervision of the Director of Economic Research. The purpose of the new section 3a is to include a specific reference in the statute to this Branch which does the work required by the Bureau or the Minister.

Section 4 is similarly amended to include an express reference to the appointment of a Director of Economic Research. The word "Bureau" is also struck out and a reference to the Economic Research Branch is substituted. The persons appointed under section 4 are all members of the Department of Economic Affairs and form part of the Branch known as the Economic Research Branch and the purpose of the amendment is to make this clear.

This Bill comes into force upon assent.

J. W. RYAN,
Acting Legislative Counsel.

(This note does not form any part of the Bill but is offered in explanation of its provisions.)
