

Bill No. 48 of 1952.

A BILL TO AMEND THE DENTAL ASSOCIATION ACT.

NOTE.

This Bill amends *The Dental Association Act*, being chapter 291 of the Revised Statutes of Alberta, 1942.

Section 4 is amended. The effect of the amendment is to change the number of the election districts set up for the purpose of electing the directors of the board of the dental association. Instead of five districts there are now four, namely, the southern, Calgary, central and Edmonton districts. The amendment to this section also fixes the number of directors each district may elect to the board of directors. The southern district elects one; the Calgary district two; the central district one and the Edmonton district elects three. The amended section also provides that in 1952 the southern district shall elect a member to the board for a term of one year and shall elect its member every second year thereafter. The central district and the Calgary district shall elect one member each in 1952 and one member every second year thereafter; the Edmonton district elects two members in 1952 and every second year thereafter, while the remaining members from the Calgary and Edmonton districts are to be elected in 1953 and every second year thereafter.

Section 11, subsection (2) is amended by providing that, by the by-law delegating duties of a dental nature to a class or classes of persons not members of the association, the board may make provision for the discipline of any member of a class to which such duties have been delegated.

This Bill comes into force upon assent.

J. W. RYAN,
Acting Legislative Counsel.
