

Bill No. 7 of 1955

(Second Session)

A BILL RESPECTING SESSIONAL INDEMNITIES
AND ALLOWANCES

NOTE

The Legislative Assembly Act provides two scales of allowances and indemnities for members attending sessions thereof. The first, payable to all members who attend sittings, is the regular indemnity and allowances and is payable for each session "first held in any year". The second, payable to all who attend other than the members who are also members of the Executive Council, is the special sessional indemnity and allowances of fourteen dollars a day and seven dollars a day, respectively, for any period not in excess of ten days. This special allowance is payable for each session that is in any year "held after the first session held in that year".

This Bill provides that this session of the thirteenth Legislative Assembly, which is the first of that Assembly but the second of 1955, is to be treated as a second session of that Assembly in 1955 for the purposes of paying sessional indemnities and allowances.

This Bill comes into force upon assent.

J. W. RYAN,
Legislative Counsel.

(This note does not form any part of the Bill but is offered in explanation of its provisions.)
