BILL 5

A Bill to amend The Agrologists Act

HON. MR. HALMRAST

EDMONTON, ALBERTA
Printed by A. SHNITKA, Printer to the Queen's Most Excellent Majesty
1956

Explanatory Note

2. The amendment is for the purpose of enabling graduates in agriculture from recognized universities who are actively engaged in farming to become members of the Alberta Institute of Agrologists, which was heretofore restricted to graduates who were employed in teaching or in other capacities.

3. Section 20 presently reads as follows:

"20. Any graduate in agriculture from the University of Alberta or other college or university recognized by the General Faculty Council, may apply to be registered as an agrologist in training and, on payment of such a registration fee and subsequent annual fees as may be determined by the by-laws of the institute, he may be allowed to practise agrology under the guidance of an agrologist."

This amendment will enable agrologists in training to practise agrology without the guidance of a member of the institute.

4. Form A is amended to remove reference to the terms "practice of agrology" and "practise agrology", as these are defined terms that do not include farming operations.
