3rd Session, 13th Legislature, Alberta

BILL 57

A Bill to amend The Licensing of Trades and
Businesses Act

HON. MR. REIERSON

EDMONTON, ALBERTA
Printed by A. SHNITKA, Printer to the Queen's Most Excellent Majesty,
1957

Explanatory Note

2. This amendment enlarges the scope of the Act in respect of the particular matter of tourist accommodation facilities. Previously the particular provisions applied only to "tourist camps" defined in section 2 (d) as follows:

"2. In this Act,

.....

"(d) "tourist camp" means

"(i) land or premises equipped with cabins used or maintained for the accommodation of the public, and

"(ii) land or premises used or maintained as a camping or parking ground for the public

without regard to whether a fee or charge is paid or made for the rental or use of the same."

3. This amendment will enable another department to regulate and inspect businesses where deemed expedient, for example, the Minister of Economic Affairs and the inspection service of the Tourist Branch of that department in the case of tourist accommodations.

4. Section 7 now reads:

"7. (1) Upon the business of a tourist camp being designated by the Minister as a business or description or class of business to which this Act applies, the Minister with respect to that business or description or class of business may make regulations

"(a) prescribing

"(i) the different classifications for tourist camps according to the equipment and facilities provided for the accommodation of the public,

"(ii) the equipment and facilities required for each classification of the business, and

"(iii) the standards governing the conduct, operation and management of that business or description or class of business, and
