

No. 44

4th Session, 13th Legislature, Alberta
6 Elizabeth II, 1958

BILL 44

A Bill to amend The Assessment Appeal Board Act

HON. MR. HOOKE

Explanatory Note

General. In 1957 the Legislature enacted The Municipalities Assessment and Equalization Act and The Assessment Appeal Board Act. As a result of the changes made by these Acts and for greater administrative efficiency it is proposed to abolish the position of Director of Assessments and to divide his duties between a Supervisor of Assessments and an Assessment Commissioner.

2. (a) Reference to Director of Assessments changed to refer to Supervisor of Assessments.

(b) Definition of "Commissioner" substituted for definition of "Director".

(c) Definition of Supervisor of Assessments added.

3. Section 14 presently reads:

"14. An appeal lies to the Board by any municipality from all orders of the Assessment Equalization Board made in relation to the equalization of assessments and from any assessments made by the Director other than assessments made pursuant to The Assessment Act and from any assessment made by an assistant director of assessments or by an inspector of assessments."

4. This amendment will provide for an appeal to the Board from any assessment made by the Supervisor of Assessments, the Assessment Commissioner or an inspector of assessments for the reason that in no case is there a right of complaint to the Court of Revision.
