BILL 109

A Bill to amend The Gas Resources Preservation Act, 1956

HON. MR. MANNING

Printed by L. S. WALL, Printer to the Queen's Most Excellent Majesty,
Edmonton, Alberta, 1960

Explanatory Note

2. New section 5 would enable transporters of gas or persons obtaining leave of the Board to apply for a permit. The present section reads as follows:

"5. Any person who produces gas within the Province or who purchases or otherwise acquires or has entered into a contract to purchase or otherwise acquire property in gas within the Province, and who intends to remove any part of such gas, or cause it to be removed, from the Province may make application to the Board for a permit authorizing the removal of the gas."

3. Clause (b) of the proposed subsection is new. It would enable the Lieutenant Governor in Council to authorize temporary removal of special hydrocarbons by pipe line. Section 24, subsection (1) presently reads:

"24. (1) Notwithstanding any other provision of this Act, the Lieutenant Governor in Council, upon the recommendation of the Board, may, by general regulations or special orders, exclude from the application of this Act, under such conditions as may be prescribed, any special hydrocarbons that are removed or that are intended to be removed from the Province otherwise than by means of pipe lines."
