BILL 26

A Bill to amend The Chiropractic Act

HON. DR. ROSS

Explanatory Note

I. Section 4, subsection (4a) presently reads:

- "(4a) A person
- (a) whose name appears on the list established under clause (b) of subsection (4) of section 10, and
 - (b) who because of a tenet of his religious faith is precluded from accepting mandatory membership in an association,
- may, with the approval of the Minister, practise chiropractic without becoming a member of the Association, but such a person is subject to all other provisions of this Act as if he were a member of the Association."

The purpose of the amendment is to make it clearer that a person who is exempted from membership in the Alberta Chiropractic Association because of his religious beliefs is otherwise subject to the same supervision and control as members.
