**BILL 75**

A Bill to amend The Pipe Line Act, 1958

---

---

HON. MR. PATRICK

---

---

## Explanatory Note

**1.** The Pipe Line Act, 1958, Statutes of Alberta, 1958, chapter 58, amended.

**2.** Section 5 presently requires an applicant for a pipe line permit to forward the application to the Department and a copy to the Oil and Gas Conservation Board. The amendments will have the result of requiring the applicant to forward two copies to the Department and eliminating the one to the Board.

**3.** Section 7 presently reads:

"7. (1) In the case of a gas line, the Oil and Gas Conservation Board  
(a) shall notify the Department whether it approves or disapproves thereof, and  
(b) may recommend such changes in the plan and in the specifications as the Oil and Gas Conservation Board deems advisable.  
(2) In the case of an oil line or a secondary line for gas the Oil and Gas Conservation Board shall notify the Department of any objections it may have thereto."

**4.** Section 8, subsections (1) and (3) presently read:

"8. (1) When he is considering an application the Minister may have regard to  
(a) in the case of a gas line  
(i) any approval or disapproval and any recommendations of the Oil and Gas Conservation Board,  
(ii) any objection of an interested party, and  
(iii) any public interest that, in the opinion of the Minister, may be affected by the granting or refusal of a permit,  
and  
(b) in the case of an oil line or a secondary line for gas any objections of the Oil and Gas Conservation Board.  
(3) The decision of the Minister as to whether a person is or is not an interested party within the meaning of subclause (ii) of clause (a) of subsection (1) is final and there is no appeal therefrom."

# BILL

No. 75 of 1964

An Act to amend The Pipe Line Act, 1958

(Assented to \_\_\_\_\_, 1964)

**H**ER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Alberta, enacts as follows:

**1.** *The Pipe Line Act, 1958*, is hereby amended.

**2.** Section 5 is amended

- (a) as to subsection (1) by adding after the word "permit" the words "in duplicate",
- (b) as to subsection (2) by striking out the words "An application for a permit" and by substituting the words "Each copy of the application for a permit",
- (c) by striking out subsection (3).

**3.** Section 7 is struck out and the following is substituted:

**7.** (1) The Minister may refer an application for a permit to the Oil and Gas Conservation Board for its advice on any matter in connection with the proposed pipe line.

(2) The Minister may refer an application for a permit for a pipe line for the transmission of gas to the Gas Utilities Board for its advice on any matter in connection with the proposed pipe line.

(3) Where the Minister has referred an application for a permit to the Oil and Gas Conservation Board or the Gas Utilities Board, the board concerned may hold a hearing with regard to any or all of the matters referred to it.

**4.** Section 8 is amended

- (a) by striking out subsection (1) and by substituting the following:

**8.** (1) When he is considering an application, the Minister may have regard to the advice of the Oil and Gas Conservation Board or the Gas Utilities Board, as the case may be, with respect to any matter referred to it pursuant to section 7.

- (b) by striking out subsection (3).

**5. Section 10 reads:**

"10. (1) When the Oil and Gas Conservation Board makes an order for the construction of a pipe line under section 46 of The Oil and Gas Conservation Act, a copy of the order shall be forwarded by the Board to the Department.

(2) Notwithstanding the provisions of this Act relating to an application for a permit, upon receipt of an order under subsection (1), the Minister or a person authorized to do so by the Minister shall issue a permit to the person named therein for the construction of the pipe line in accordance with the plan and specifications set out in the order."

**6. Section 13, subsection (2) presently reads:**

"(2) The permittee of a flow line constructed under this Act shall forward to the Department within sixty days of the date the flow line is placed in operation a sketch in duplicate showing the route of the flow line coloured in red and the size of the pipe."

**7. Section 17 reads:**

"17. The Superintendent shall cause to be forwarded to the Oil and Gas Conservation Board a copy of every sketch under section 13 and of every plan of survey and licence under sections 14, 15 and 16."

**8. Commencement of Act.**

**5.** Section 10 is repealed.

**6.** Section 13, subsection (2) is amended by striking out the words "and the size of the pipe" and by substituting the words ", the size of the pipe and the substance transmitted".

**7.** Section 17 is repealed.

**8.** This Act comes into force on the first day of June, 1964.
