## **BILL 84**

A Bill to amend The Libraries Act

---

---

HON. MR. HOLOWACH

---

---

## **Explanatory Note**

**1. The Libraries Act, Statutes of Alberta, 1956, chapter 27, amended.**

**2. Section 17, subsection (2) presently reads:**

"(2) Subject to subsection (4), the council of a municipality shall, upon receipt of a petition, in Form A in the Schedule, praying for the establishment of a public library and signed by at least one-tenth of the resident electors, prepare and submit to the electors a by-law, in Form B in the Schedule, providing for the establishment of a public library."

The amendment is consequential on the striking out of Form B (see Clause 3) and removes a contradiction between section 17 and the content of Form B. Section 17 contemplated that the by-law for the establishment of a library by a municipality would be submitted to proprietary electors in the same way as any money by-law, i.e., it would be voted on by the electors before being passed by the municipality. However, Form B contains provisions for the voting procedure, a matter which in the case of money by-laws is dealt with by the municipal council and not voted on by the electors themselves.

**3. See note to clause 2.**

**4. Commencement of Act.**
