**4.** The following section is added after section 27:

**27a.** (1) Subject to the approval of the Universities Commission, a board may for the purposes of the university (as defined in section 28) borrow by way of temporary loans from any bank or treasury branch or from any other person such sums of money and upon such terms as the board determines by way of an overdraft or line of credit or by the pledging as security for such temporary loans of notes, bonds, debentures or other securities of the board pending the sale thereof, or in lieu of selling them, or in such other manner as the board determines.
