BILL 105

1969

An Act to amend Certain Statutes (No. 2)

(Assented to _____, 1969)

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Alberta, enacts as follows:

1. This Act may be cited as *The Statutes Amendment Act, 1969 (No. 2)*.

2. *The Alberta Government Telephones Act* is amended
(a) as to section 4 by adding the following subsection after subsection (2):

(3) The commission may purchase or otherwise acquire and sell or otherwise dispose of common or preferred shares in Telesat Canada.

(b) as to section 9

(i) in subsection (1) by striking out the word "directories" and by substituting the words "general tariff",

(ii) in subsection (2) by striking out the word "telephone",

(iii) in subsection (2) by striking out the word "directory" and by substituting the words "general tariff".

3. *The Water, Gas, Electric and Telephone Companies Act* is amended by striking out section 8 and by substituting the following:

8. No company or municipality shall erect wires for the transmission of electricity for any purpose until

(a) it has filed with The Alberta Government Telephones Commission plans showing the location of the wires, their height above the ground and such other information as the Commission may from time to time require, and

(b) the plans have been approved by The Alberta Government Telephones Commission.

4. This Act comes into force on the day upon which it is assented to.

Explanatory Notes

1. This Bill amends The Alberta Government Telephones Act and The Water, Gas, Electric and Telephone Companies Act.

2. Section 9 presently reads:

9. (1) The commission shall establish the terms and conditions under which its service is furnished and shall publish those terms and conditions in its directories.

(2) The telephone service supplied by the commission to any person is subject to the terms and conditions published in the commission's current directory.

3. Chapter 361 of the Revised Statutes amended. Section 3 presently reads:

8. No company shall erect wires for the transmission of electricity for any purpose until

(a) it has filed with the Minister of Telephones plans showing the location of the wires, their height above the ground and such other information as that Minister may from time to time require, and

(b) the plans have been approved by the Minister of Telephones.
