## Explanatory Notes

### 1. This Bill amends chapter 7 of the Statutes of Alberta, 1954

#### Section 8 presently reads:

8. (1) A member of the council may be appointed to the Board for either a two year or one year term.

(2) Notwithstanding the period for which he was appointed to the Board, a member of the council may hold office on the Board only so long as he remains a member of the council.

(3) Of the adult resident citizens appointed to the first Board constituted under this Act, two shall be appointed for a term of two years and two shall be appointed for a term of one year.

(4) After the appointment to the first Board, two adult resident citizens shall be appointed annually for a term of two years on the Board.

(5) Notwithstanding any other provision of this Act, a member of the Board may remain in office until his successor on the Board has been appointed.

The new section 8 and the amendment to section 9 are intended to remove anomalies relating to the appointment and tenure of board members arising from the change in the law from annual general civic elections to elections every three years.

#### 9. Section 9 presently reads:

9. Appointments to the Board shall be made at the first meeting of the council following the annual election in the City.
