2. *The following section is added after section 172:*

172.1 (1) Notwithstanding any provision in this or any other Act to the contrary, where financial assistance from the Crown in right of Alberta or of Canada, or any agency thereof, is provided or is proposed to be provided to a municipality for the undertaking of local improvements within the municipality, the council may by by-law provide that the municipality shall apply towards the cost of the local improvements the amount of the assistance provided or to be provided but any by-law so made shall also provide what portion of the costs of the local improvements, if any, shall be raised by special frontage assessment or special local benefit assessment and what portion, if any, shall be borne by the municipality at large.
