Bill 48

BILL 48

1981

THE MUNICIPAL TAXATION AMENDMENT ACT, 1981 (NO. 2)

(Assented to , 1981)

HER MAJESTY, by and with the advice and consent of the
Legislative Assembly of Alberta, enacts as follows:

1 The Municipal Taxation Act is amended by this Act.

2 Section 93(6) is repealed and the following is substituted:

(6) The Minister may make regulations governing the calculation
of the uniform rate of tax referred to in subsection (5) for the
year 1981 and subsequent years.

*In accordance with section 4(1) of The Interpretation
Act, 1980, this Bill comes into force on the date it re-
ceives Royal Assent.*

Explanatory Notes

1 This Bill will amend chapter 251 of the Revised Statutes of Alberta 1970.

2 Sections 93(5) and (6) presently read:

(5) In addition to assessed property mentioned in subsection (4), the council in a municipal district, county, improvement district or special area shall authorize the municipal secretary to levy upon the assessed value of property assessed under The Electric Power and Pipe Line Assessment Act within the municipality, a tax at such uniform rate on the dollar calculated pursuant to subsection (6) to meet a portion of a requisition made upon the council by

(a) the boards of all school divisions and school districts, and

(b) the boards of all hospital districts

within the municipality.

(6) The uniform rate of tax pursuant to subsection (5) shall be calculated by dividing the total requisitions plus the allowances authorized by subsection (8) from all school divisions and school districts in the municipality or the total requisitions plus the allowances authorized by subsection (8) from all hospital districts in the municipality, as the case may be, by the total equalized assessment of land and improvements in all school districts and school divisions in the municipality or in all hospital districts in the municipality plus, in each instance, the equalized assessment of property assessed under The Electric Power and Pipe Line Assessment Act within the municipality and thereafter by multiplying the result by 1000.
