

BILL

No. 14 of 1911.

An Act to amend the Medical Profession Act.

(Assented to 1911.)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Alberta, enacts as follows:

1. The Medical Profession Act being chapter 28 of the Statutes of Alberta, 1906, is hereby amended by inserting therein after section 35 thereof the following sections as sections 35a and 35b respectively:

“**35a.** Nothing in this Act shall prevent or prohibit any duly qualified osteopath from practising his profession for reward or gain within the Province of Alberta:

Provided that all practitioners of osteopathy within the meaning of this Act shall be duly qualified osteopaths of a recognized school or college of osteopathy; and for the purpose of this Act a recognized school or college of osteopathy shall be deemed to be an institution recognized by the American Osteopathic Association.

Provided further that before any such osteopath shall be lawfully entitled to practice osteopathy within Alberta, such osteopath shall take and successfully pass an examination satisfactory to the council in the following subjects: Anatomy, physiology, chemistry, toxicology, pathology, bacteriology, histology, neurology, physical diagnosis, obstetrics, gynecology, surgery, hygiene, medical jurisprudence, principles and practice of osteopathy.

“(2) The council for the purpose of such examination of applicants for registration as osteopaths under this Act, shall appoint an osteopath who shall prescribe the examination for such applicants in relation to the principles and practice of osteopathy.

“(3) Any duly qualified osteopath who shall successfully pass such examination to the satisfaction of the council shall be entitled to be registered under this Act as a member of the college:

“Provided that such osteopath shall be restricted wholly to the practice of osteopathy.

“**35b.** Any homeopathic physician holding a diploma of qualification from any recognized school or college requiring at least a four year course of study, which has been undergone by the applicant, may be registered under this Act after taking and successfully passing an examination in the following subjects: Anatomy, physiology, chemistry, pathology, bacteriology, hygiene, obstetrics, gynecology, principles and practice of medicine, materia medica, clinical diagnosis and principles of practice of surgery.

“(2) The council, for the purpose of such examination of applicants for registration as a homeopathic physician under this Act, shall appoint a homeopathic physician as an examiner, who shall prescribe the examination for such applicants in

relation to the subjects of materia medica and the principles and practice of medicine.

“(3) Any duly qualified homeopathic physician who shall successfully pass such examination to the satisfaction of the council, shall be entitled to be registered under this Act as a member of the college:

“Provided that such homeopathic physician shall be restricted wholly to the practice of homeopathy.
