

An Act Respecting the Assessment in the Village of Lougheed.

Assented to _____ 1913

WHEREAS the Village of Lougheed has by petition prayed that provision be made for the assessment of real and personal property and for the collection of taxes in the said Village:

And whereas it appears that by reason of the provisions of Section 16 of Chapter 1 of the Statutes of Canada, 1881, commonly known as The Canadian Pacific Railway Act, a very considerable portion of the land within the limits of the said Village is exempt from taxation.

And whereas it is expedient to grant the prayer of the said petition:

Therefore His Majesty, by and with the advice and consent of the Legislative Assembly in the Province of Alberta, enacts as follows:

1. In its application to the Village of Lougheed the Village Act, being Chapter 10 of the Statutes of Alberta, 1907, or any Act, passed in substitution therefor, the word "land" shall, unless the context otherwise requires, include lands, tenements and hereditaments and any estate or interest therein.

2. Section 52 of the said Village Act or any similar provisions in any Act passed in substitution therefor shall not apply to the said Village, but in substitution therefor the following provisions shall have effect and shall apply to the said village:

(a.) The Council shall cause an assessment to be made of all real and personal property in the village not exempt from taxation as hereinafter provided; and shall have an assessment list prepared showing the name of each person assessed, the property in respect of which such person is assessed and the assessed value.

(b.) If any property which should have been assessed has been omitted from the assessment list the Council shall upon discovery of such omission if within one month from the mailing of a notice of such assessment as herein provided assess such property and make the necessary additions to the assessment list.

(c.) This assessment shall be completed not later than the 31st day of May in each year.

3. The provisions of the said Village Act or any Act passed in substitution therefor shall continue to apply to the said village save in so far as the same are herein declared not to apply.
