(4) The Provincial Treasurer shall, as soon as practicable after the audited financial statements for the Trust Fund are available, determine the difference

(a) between 7/12 of the net investment income as reported in the audited financial statements for the 1982-83 fiscal year and the amount transferred pursuant to subsection (3) for that year,

(b) between all of the net investment income as reported in the audited financial statements for the 1983-84 fiscal year and the amount transferred pursuant to subsection (3) for that year, and
