Explanatory Notes

1 Section 3 presently reads:

3 The Foundation shall have as its objects the assistance of people with hearing deficiencies and for those purposes to take any gift of shares, securities, money or real or personal property either inter vivos or testamentary, whether subject to any special trust or otherwise, to hold, sell or invest it and use the net income from the capital assets of the Foundation, after paying the necessary salaries, operating expenses and other obligations of the Foundation, solely:

(a) firstly, for the assistance of persons with hearing deficiencies who are in straitened or indigent circumstances and who have been resident in the City of Calgary for not less than 5 years immediately prior to the providing of the assistance, or if under 18 years of age who has a parent or guardian who has been a resident of Calgary for not less than 5 years immediately prior to the providing of assistance, through the provision of medical treatment or the purchase of equipment to assist the hearing deficiencies; and

(b) secondly, if the trustees in their sole discretion determine that special circumstances exist, to assist any person resident in Alberta with a hearing deficiency who cannot afford proper medical treatment or equipment but who does not qualify under clause (a) through the provision of medical treatment or the purchase of equipment, to assist the hearing deficiency; and

(c) thirdly, if at any time the trustees are of the opinion that all or part of the net income earned on the capital assets of the Foundation is not required for the assistance of persons with hearing deficiencies under clause (a) or (b) then to use all or such part , as the trustees may determine, of the balance of the net income for the assistance of research in the area of hearing deficiencies or any other project consistent with the object of the Foundation.
