

BILL

No 25 of 1913 (Second Session).

An Act to Authorize James Henry Phillips to Practise
Medicine.

(Assented to 1913).

WHEREAS a petition has been presented by James Henry Phillips, of Eastburg post office, in the District of Pembina, in the Province of Alberta, praying to be allowed to practise medicine, surgery and midwifery in the territory lying north of township fifty-six (56), in the Province of Alberta;

And whereas it appears by said petition that the said James H. Phillips graduated in medicine from Rush Medical College of the University of Chicago, in the City of Chicago, in the State of Illinois, one of the United States of America, in the year 1878 and received from that university a diploma as doctor of medicine; and it appears that the said James Henry Phillips practised the profession of medicine and surgery at Preston, in the State of Minnesota, one of the said United States of America, continuously from that time until the year 1912, except for a few months in the year 1900, during which time the said James Henry Phillips took a post graduate course at the Chicago Post Graduate College, in the said City of Chicago; and it appears that the said James Henry Phillips is still a registered medical and surgical practitioner in the said State of Minnesota in good standing;

And whereas there is no registered practitioner nearer the residence of the said James Henry Phillips at Eastburg post office, aforesaid, than Clyde, in the said Province, a distance of about twenty-five (25), miles;

And whereas the petitioner prays that an Act be passed to authorize the College of Physicians and Surgeons of the Province of Alberta to admit the petitioner to practise as a physician and surgeon in the territory north of township fifty-six (56), in the said province;

And whereas it has been shown that the said petitioner is otherwise a proper person to be admitted to practise medicine, surgery and midwifery and it is for the benefit of the residents of the settlement of Eastburg, where he resides, that he should be admitted to practise medicine, surgery and midwifery;

And whereas it is deemed expedient to grant the prayer of the said petitioner;

Therefore His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Alberta, enacts as follows:

1. It shall and may be lawful for the College of Physicians and Surgeons of the Province of Alberta to include upon the register of the said college and authorize the said James Henry Phillips to pursue the practise of medicine, surgery and midwifery in the territory lying north of township fifty six (56), in the said Province of Alberta, and to grant the said James Henry Phillips such certificate as may enable him to be admitted to practise the profession of medicine,

surgery and midwifery in the said portion of the Province, upon the said James Henry Phillips presenting to the said college satisfactory proof and evidence that he the said James Henry Phillips has duly graduated in medicine from the said Rush Medical College at the University of Chicago, and that the said James Henry Phillips was in the year 1912 a duly registered and qualified physician and surgeon, authorized to practise medicine and surgery in the said State of Minnesota, and upon paying the proper admission fees in that behalf (exclusive of examination fees) without his complying with the other requirements and provisions of the law or other rules and regulations of the said college of Physicians and Surgeons of the Province of Alberta in that behalf, any law, custom or usage to the contrary notwithstanding.
