4. The company may lay out, construct and operate a railway of the gauge of four feet eight and one-half inches, commencing at a point at or near the station of Crows' Nest on the Canadian Pacific Railway line, west of Macleod, thence in a southerly direction through townships eight and seven range 6 west of the 5th meridian, to and across the south half of section thirteen, township seven, range six, west of the 5th meridian, in the Province of Alberta, a distance in all of about six miles.

8. At such meeting the subscribers for the capital stock assembled, who have paid all calls due on their shares, shall choose three persons to be directors of the company, one or more of whom may be paid directors of the company.

9. The company may issue bonds, debentures or other securities to the extent of twenty thousand dollars per mile of the railway and branches, and such bonds, debentures or other securities may be issued only in proportion to the length of railway constructed or under contract to be constructed.
