JA
Parliamentary Counsel
JUNE 24, 2019

Ms. Glasgo to move that Bill 201, *Protection of Students with Life-Threatening Allergies Act*, be amended as follows:

A. Section 1(f) is struck out.

B. Section 2(2) is amended by striking out clause (d) and substituting the following:

(d) a requirement that the board ensures that

- (i) a risk reduction plan that meets the requirements set out in section 3 is in place in each school,
- (ii) upon enrollment, parents and students are asked to supply information on life-threatening allergies, if any, and
- (iii) each school operated by the board maintains a file for every student who has an anaphylactic allergy including any current treatments, copies of any prescriptions, any instructions from health professionals and a current emergency contact list.

C. Section 3 is struck out and the following is substituted:

Risk reduction plan

3 A risk reduction plan for a school shall include

- (a) information about each student who has an anaphylactic allergy,
- (b) information for employees and others who on a regular basis are in direct contact with a student who has an anaphylactic allergy regarding the type of allergy, monitoring and avoidance strategies and appropriate treatments,
- (c) a readily accessible emergency procedure for each student, including emergency contact information, and
- (d) provisions for and information regarding storage for epinephrine auto-injectors, where necessary.
