(b) each of the following is included in the recall petition in legible print and within reasonable proximity to the signature to which it relates:

(a) the witness must sign the recall petition either

   (i) directly opposite the signature that they witnessed, or

   (ii) in the case of having witnessed multiple signatures at the same time, on every page for which they witnessed multiple petitioners sign the recall petition;

Division 3
Determination Whether Recall Authorized

Limitation period for submitting recall petition

8(1) The Chief Electoral Officer may accept a recall petition only if it is submitted to them within the 60-day period immediately following the day on which they issued it under section 3(1)(b)(ii).

(2) For greater certainty

(3) As soon as practicable after an applicant’s chief financial officer has submitted a petition return to the Chief Electoral Officer in accordance with section 16(1), the Chief Electoral Officer must
refund the application fee referred to in section 2(1)(b) to the applicant.

**Determination whether recall authorized**

9(1) Within 42 days after the day on which a recall petition is submitted in accordance with section 8(1), the Chief Electoral Officer must

(a) subject to subsection (3), identify each signature contained in the recall petition that meets the requirements under section 7(1) up to the number of signatures required to authorize a recall under subsection (2), and

(b) based on the number of signatures identified, determine whether a recall is authorized under subsection (2).

(2) A recall is authorized if the Chief Electoral Officer determines that the number of petitioners’ signatures contained in a recall petition is equal to, or greater than, the number determined by the following formula:

\[ A \times 0.4 \]

where

A is the total number of electors’ names included in the post-polling-day list of electors for the electoral division and the election to which the recall petition relates.

(3) If the Chief Electoral Officer is satisfied that carrying out the process of identifying each signature in a recall petition up to the number determined under subsection (2) would unreasonably interfere with the operations of the Office of the Chief Electoral Officer, the Chief Electoral Officer may decide to use an alternative method of identifying the number of signatures in a recall petition by applying a random statistical sampling method with a 95% confidence level to the signatures in the recall petition.

(4) If the Chief Electoral Officer decides to use a random statistical sampling method described in subsection (3) in respect of the signatures in a recall petition, the number of signatures determined by that method is, for the purpose of this Act, to be considered as the number of signatures in the recall petition.
Notice of determination

10 Within 2 business days of making a determination under section 9(1)(b), the Chief Electoral Officer must

(a) provide notice, in writing, of the determination to the Clerk of the Legislative Assembly,

(i) the member to whom the determination relates;

(ii) each authorized participant to whom the determination relates;

(iii) if applicable, the individual who is the leader of the registered party to which the member referred to in subclause (i) belongs; and

Effect of authorized recall

11 If the Chief Electoral Officer determines under section 9(1)(b) that a recall is authorized, on the 8th day after the day on which the Chief Electoral Officer provides notice of that determination to the Clerk of the Legislative Assembly in accordance with section 10(a)

(a) the individual who is named as the member in the recall petition is considered to have been recalled,

(b) the individual is no longer a member of the Legislative Assembly, and

(c) for the purpose of section 32(1) of the Legislative Assembly Act, the seat to which the individual was elected as a member is to be considered as vacant.
Required return of list of electors and destruction of copies
12 Within 2 days of the day on which the Chief Electoral Officer provides a copy of a notice to an authorized participant in accordance with section 10(b)(ii), the authorized participant must

(a) return to the Chief Electoral Officer the copy of the list of electors provided to them in accordance with section 3(1)(b)(iii)(B), and

17(1) All unexpended funds held by the chief financial officer of an authorized participant in respect of a recall petition are, on the day that the Chief Electoral Officer issues the notice under section 10(a), considered to be funds held in trust by the authorized participant.

(2) If unexpended funds have been reported in a petition return submitted in accordance with section 16(1), an authorized participant may, in respect of those funds, provide notice in writing to the Chief Electoral Officer that they intend for those funds to be transferred to one or more registered charities.
