

BILL

No. 76 of 1930.

An Act to amend The Legislative Assembly Act.

(Assented to _____, 1930.)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Alberta, enacts as follows:

1. This Act may be cited as "*The Legislative Assembly Act Amendment Act, 1930.*"

2. *The Legislative Assembly Act*, being chapter 3 of the Revised Statutes of Alberta, 1922, is amended as to section 2 thereof, by striking out the word "sixty" and substituting therefor the word "sixty-three."

3. Section 3 of the said Act is hereby struck out and the following substituted therefor:

"**3.** Each of the Electoral Divisions nominated, defined or constituted in or by Schedule 1 of this Act shall return one member, except the Electoral Divisions of Edmonton and Calgary, which shall each return six members."

4. Section 36 of the said Act is hereby repealed and the following substituted therefor:

"**36.** There shall be paid to the Speaker and Deputy Speaker such allowances as may be voted by the Legislative Assembly."

5. Schedule 1 to the said Act is hereby repealed and the Schedule to this Act substituted therefor.

6. This Act shall come into force on the day upon which it is assented to.

SCHEDULE 1.

ATHABASCA.—Commencing at the intersection of the 5th meridian with the north boundary of the Province of Alberta; thence south along the said 5th meridian to the north boundary of townships 92; thence east along the said north boundary of townships 92 to the meridian line between ranges 24 and 25, west of the 4th meridian; thence south along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the north boundary of townships 62; thence east along the said north boundary of townships 62 to the meridian line between ranges 21 and 22, west of the 4th meridian; thence north along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the north boundary of townships 63; thence east along the said north boundary of townships 63 to the meridian line between ranges 17 and 18, west of the 4th meridian; thence north along the said meridian line between ranges 17 and 18, west of the 4th meridian, to the north boundary of townships 70; thence east along the north boundary of townships 70 to the east boundary of the Province of Alberta; thence north along the said east boundary of the Province of Alberta to the north boundary of the Province of Alberta; thence west along the said north boundary of the Province of Alberta to the point of commencement.

GROUARD.—Commencing at the intersection of the 5th meridian with the north boundary of townships 100; thence south along the said 5th meridian to the north boundary of townships 92; thence east along the said north boundary of townships 92 to the meridian line between ranges 24 and 25, west of the 4th meridian; thence south along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the north boundary of townships 70; thence west along the said north boundary of townships 70 to the meridian line between ranges 7 and 8, west of the 5th meridian; thence south along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the north boundary of townships 67; thence west along the said north boundary of townships 67 to the intersection with the right bank of the Little Smoky River; thence down stream and along the said right bank of the Little Smoky River to the intersection with the right bank of the Smoky River; thence continuing down stream along the said right bank of the Smoky River to the north boundary of townships 80; thence east along the said north boundary of townships 80 to the meridian line between ranges 13 and 14, west of the 5th meridian; thence north along the said meridian line between ranges 13 and 14, west of the 5th meridian, to the north boundary of townships 100; thence east along the said north boundary of townships 100 to the point of commencement.

PEACE RIVER.—Commencing at the intersection of the 5th meridian with the north boundary of the Province of Alberta; thence south along the said 5th meridian to the north boundary of townships 100; thence west along the said north boundary of townships 100 to the meridian line between ranges 13 and 14, west of the 5th meridian; thence south along the said meridian line between ranges 13 and 14, west of the 5th meridian, to the north boundary of townships 80; thence west along the said north boundary of townships 80 to the intersection with the right bank of the Peace River; thence up stream following the right bank of the said Peace River to the intersection with the west boundary of the Province of Alberta; thence north along the said west boundary of the Province of Alberta to the north boundary of the Province of Alberta; thence east along the said north boundary of the Province of Alberta to the point of commencement.

GRANDE PRAIRIE.—Commencing at the intersection of the right bank of the Smoky River with the north boundary of townships 80, west of the 5th meridian; thence up stream along the said right bank of the Smoky River to its intersection with the right bank of Little Smoky River; thence continuing up stream along the said right bank of Little Smoky River to its intersection with the north boundary of townships 67; thence west along the said north boundary of townships 67 to the west boundary of the Province of Alberta; thence north along the said west boundary of the Province of Alberta to the intersection with the right bank of the Peace River; thence continuing

down stream along the said right bank of the Peace River to the intersection with the north boundary of townships 80; thence east along the said north boundary of townships 80 to the point of commencement.

LAC STE. ANNE.—Commencing at the intersection of the meridian line between ranges 7 and 8, west of the 5th meridian, with the north boundary of townships 67; thence south along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the Athabasca River; thence down stream along the said Athabasca River to the meridian line between ranges 5 and 6, west of the 5th meridian; thence south along the said meridian line between ranges 5 and 6, west of the 5th meridian, to the north boundary of townships 57; thence east along the said north boundary of townships 57 to the meridian line between ranges 3 and 4, west of the 5th meridian; thence south along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of townships 56; thence east along the said north boundary of townships 56 to the 5th meridian; thence south along the 5th meridian to the north boundary of townships 53; thence west along the said north boundary of townships 53 to the meridian line between ranges 2 and 3, west of the 5th meridian; thence north along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the north boundary of townships 54; thence west along the said north boundary of townships 54 to the shore of Lac Ste. Anne; thence following generally south-westerly, north-westerly, south-westerly and north-easterly, along the said shore of Lac Ste. Anne to the north boundary of townships 54; thence west along the said north boundary of townships 54 to the west boundary of the Province of Alberta; thence following the said west boundary of the Province of Alberta to the north boundary of townships 67; thence east along the said north boundary of townships 67 to the point of commencement.

PEMBINA.—Commencing at the intersection of the meridian line between ranges 24 and 25, west of the 4th meridian, with the north boundary of townships 70; thence south along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the north boundary of townships 58; thence west along the said north boundary of townships 58 to the meridian line between ranges 26 and 27, west of the 4th meridian; thence south along the said meridian line between ranges 26 and 27, west of the 4th meridian, to the north boundary of townships 57; thence west along the said north boundary of townships 57 to the 5th meridian; thence south along the said 5th meridian to the north boundary of townships 56; thence west along the said north boundary of townships 56 to the meridian line between ranges 3 and 4, west of the 5th meridian; thence north along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of townships 57; thence west along the said north boundary of townships 57 to the meridian line between ranges 5 and 6, west of the 5th meridian; thence north along the said meridian line between ranges 5 and 6, west of the 5th meridian, to the Athabasca River; thence up stream along the said Athabasca River to the meridian line between ranges 7 and 8, west of the 5th meridian; thence north along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the north boundary of townships 70; thence east along the said north boundary of townships 70 to the point of commencement.

STURGEON.—Commencing at the north-east corner of township 63, range 18, west of the 4th meridian; thence west along the north boundary of townships 63 to the meridian line between ranges 21 and 22, west of the 4th meridian; thence south along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the north boundary of townships 62; thence west along the said north boundary of townships 62 to the meridian line between ranges 24 and 25, west of the 4th meridian; thence south along the meridian line between ranges 24 and 25, west of the 4th meridian to the north boundary of townships 58; thence east along the said north boundary of townships 58 to the north-east corner of township 58, range 24, west of the 4th meridian; thence south along the meridian line between ranges 23 and 24, west of the 4th meridian, to the north-east corner of township 56, range 24, west of the 4th meridian; thence west along the north

boundary of townships 56 to the north-east corner of township 56, range 25, west of the 4th meridian; thence south along the meridian line between ranges 24 and 25, west of the 4th meridian, to the north-east corner of section 24, township 53, range 25, west of the 4th meridian; thence east along the north boundaries of sections 19, 20, 21, 22, 23, and 24, in township 53, range 24, west of the 4th meridian, and of section 19, in township 53, range 23, west of the 4th meridian, to the point of intersection of the north boundary of section 19, township 53, range 23, west of the 4th meridian, with the North Saskatchewan River; thence north-easterly and down-stream following the said North Saskatchewan River to the point of its intersection with the meridian line between ranges 17 and 18, west of the 4th meridian; thence north along the meridian line between ranges 17 and 18, west of the 4th meridian, to the point of commencement.

BEAVER RIVER.—Commencing at the intersection of the meridian line between ranges 9 and 10, west of the 4th meridian, with the north boundary of townships 70; thence south along the said meridian line between ranges 9 and 10, west of the 4th meridian, to the North Saskatchewan River; thence up stream along the said North Saskatchewan River to the meridian line between ranges 12 and 13, west of the 4th meridian; thence north along the said meridian line between ranges 12 and 13, west of the 4th meridian, to the north boundary of townships 59; thence west along the said north boundary of townships 59 to the meridian line between ranges 17 and 18, west of the 4th meridian; thence north along the said meridian line between ranges 17 and 18, west of the 4th meridian, to the north boundary of townships 70; thence east along the said north boundary of townships 70 to the point of commencement.

ST. PAUL.—Commencing at the intersection of the north boundary of townships 70 with the east boundary of the Province of Alberta; thence south along the said east boundary of the Province of Alberta to the North Saskatchewan River; thence up stream along the said North Saskatchewan River to the meridian line between ranges 9 and 10, west of the 4th meridian; thence north along the said meridian line between ranges 9 and 10, west of the 4th meridian, to the north boundary of townships 70; thence east along the said north boundary of townships 70 to the point of commencement.

ALEXANDRA.—Commencing at the point of intersection of the North Saskatchewan River with the eastern boundary of the Province of Alberta, in township 53; thence north-west up-stream along said North Saskatchewan River, to the point of intersection with the meridian line between ranges 5 and 6, west of the 4th meridian; thence south along the said meridian line between ranges 5 and 6, west of the 4th meridian, to the point of intersection with Battle River in township 47; thence easterly down-stream along the said Battle River to the point of intersection with the eastern boundary of the Province of Alberta; thence north along the said eastern boundary of the Province of Alberta to the point of commencement.

VERMILION.—Commencing at the point of intersection of the meridian line between ranges 5 and 6, west of the 4th meridian, and the North Saskatchewan River; thence south and west up-stream along the said North Saskatchewan River, to the point of its intersection with the meridian line between ranges 11 and 12, west of the 4th meridian; thence south along said meridian line between ranges 11 and 12, west of the 4th meridian, to the point of its intersection with the north boundary of the 48th townships; thence east along said north boundary of the 48th townships to the meridian line between ranges 10 and 11, west of the 4th meridian; thence south along said meridian line between ranges 10 and 11, west of the 4th meridian, to the north boundary of the 47th townships; thence east along said north boundary of the 47th townships to the meridian line between ranges 5 and 6, west of the 4th meridian; thence north along said meridian line between ranges 5 and 6, west of the 4th meridian, to the point of commencement.

VEGREVILLE.—Commencing at the north-east corner of township 53, range 12, west of the 4th meridian; thence west along the north boundary of townships 53 to the meridian line between ranges 16 and

17, west of the 4th meridian; thence south along the said meridian line between ranges 16 and 17, west of the 4th meridian, to the north boundary of townships 52; thence west along the said north boundary of townships 52 to the meridian line between ranges 19 and 20, west of the 4th meridian; thence south along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the north boundary of townships 48; thence east along the said north boundary of townships 48 to the meridian line between ranges 11 and 12, west of the 4th meridian; thence north along the said meridian line between ranges 11 and 12, west of the 4th meridian, to the point of commencement.

WHITFORD.—Commencing at the north-east corner of township 59, range 13, west of the 4th meridian; thence west along the north boundary of the 59th townships to the point of intersection with the meridian line between ranges 17 and 18, west of the 4th meridian; thence south along said meridian line between ranges 17 and 18, west of the 4th meridian, to the intersection with the North Saskatchewan River; thence east, north and south down-stream along the said North Saskatchewan River to the point where it intersects the north boundary of the 57th townships, in range 15, west of the 4th meridian; thence west along said north boundary of the 57th townships to the meridian line between ranges 15 and 16, west of the 4th meridian; thence south along said meridian line between ranges 15 and 16, west of the 4th meridian, to the north boundary of the 53rd townships; thence east along said north boundary of the 53rd townships to the meridian line between ranges 11 and 12, west of the 4th meridian; thence north along said meridian line between ranges 11 and 12, west of the 4th meridian, to its intersection with the North Saskatchewan River; thence along the said North Saskatchewan River west and north up-stream, to its intersection with the meridian line between ranges 12 and 13, west of the 4th meridian; thence north along the said meridian line between ranges 12 and 13, west of the 4th meridian, produced through the Saddle Lake Indian Reserve, to the point of commencement.

VICTORIA.—Commencing at the intersection of the North Saskatchewan River with the north boundary of township 57 in range 15, west of the 4th meridian; thence west along the said north boundary of township 57 to the meridian line between ranges 15 and 16, west of the 4th meridian; thence south along the said meridian line between ranges 15 and 16, west of the 4th meridian, to the north boundary of townships 53; thence west along the said north boundary of townships 53 to the meridian line between ranges 16 and 17, west of the 4th meridian; thence south along the said meridian line between ranges 16 and 17, west of the 4th meridian, to the north boundary of townships 52; thence west along the said north boundary of townships 52 to the meridian line between ranges 19 and 20, west of the 4th meridian; thence north along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the north boundary of townships 54; thence east along the said north boundary of townships 54 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence north along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the north boundary of townships 55; thence west along the said north boundary of townships 55 to the aforementioned North Saskatchewan River; thence down stream along the said North Saskatchewan River to the point of commencement.

ST. ALBERT.—Commencing at the intersection of the meridian line between ranges 23 and 24, west of the 4th meridian, with the north boundary of townships 58; thence westerly along the said north boundary of townships 58 to the meridian line between ranges 26 and 27, west of the 4th meridian; thence southerly along the said meridian line between ranges 26 and 27, west of the 4th meridian, to the north boundary of townships 57; thence westerly along the said north boundary of townships 57 to the 5th meridian; thence southerly along the said 5th meridian to the north boundary of townships 53; thence easterly along the said north boundary of townships 53 to the west boundary of Indian Reserve Chief Michel Calahoo; thence southerly along the said west boundary of Indian Reserve Chief Michel Calahoo

to the south-west corner thereof; thence easterly along the south boundary of said Indian Reserve Chief Michel Calahoo to the south-east corner thereof; thence in an easterly direction and along the southern limit of lots "I," "H," "G," "F," and "E," in the St. Albert settlement to the south-west corner of lot "D," in the said settlement; thence along the westerly and southerly shores of Big Lake in a westerly, southerly and easterly direction to the rear line of lot 55 in the said St. Albert settlement; thence in an easterly direction and along the rear line of lots fronting on the east side of the Sturgeon River, in the said St. Albert settlement, to the north boundary of the 53rd township; thence easterly along the north boundary of the 53rd township to the north-east corner of township 53, range 25, west of the 4th meridian; thence north along the line between ranges 24 and 25, west of the 4th meridian, to the north-east corner of township 56, range 25, west of the 4th meridian; thence east along the north boundary of the 56th township to the north-east corner of township 56, range 24, west of the 4th meridian; thence north along the easterly boundaries of townships 57 and 58, range 24, west of the 4th meridian, to the point of commencement.

STONY PLAIN.—Commencing at the intersection of the westerly limit of the City of Edmonton with the North Saskatchewan River; thence westerly up-stream along the said North Saskatchewan River to its point of intersection with the north boundary of townships 47, range 7, west of the 5th meridian; thence west along the said north boundary of townships 47 to the meridian line between ranges 11 and 12, west of the 5th meridian; thence north along the said meridian line between ranges 11 and 12, west of the 5th meridian, to the north boundary of townships 52; thence east along the said north boundary of townships 52 to its point of intersection with the Pembina River; thence generally north-easterly and north-westerly down-stream along the said Pembina River to its point of intersection with the north boundary of townships 54, in range 7, west of the 5th meridian; thence east along the said north boundary of townships 54 to its point of intersection with the westerly shore of Lac Ste. Anne; thence generally south-westerly, north-easterly, south-easterly, and north-easterly to its point of intersection with the north boundary of townships 54, in range 3, west of the 5th meridian; thence east along the said north boundary of townships 54, range 3, west of the 5th meridian to the meridian line between ranges 2 and 3, west of the 5th meridian; thence south along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the north boundary of townships 53; thence east along the said north boundary of townships 53 to the west boundary of the Indian Reserve Chief Michel Calahoo; thence south along the west boundary of said Indian Reserve Chief Michel Calahoo to the south-west corner thereof; thence east along the south boundary of the said Indian Reserve Chief Michel Calahoo to the south-east corner thereof; thence in an easterly direction along the south limit of lots "I," "H," "G," "F," and "E," in the St. Albert settlement, to the south-west corner of lot "D," in the said settlement; thence along the west and south shores of Big Lake in a west, south, and east direction to the rear line of lot 55 in the said St. Albert settlement; thence in an easterly direction and along the rear of lots fronting on the east side of the Sturgeon River in the said St. Albert settlement to the north boundary of the 53rd township; thence east along the north boundary of township 53 to the north-east corner of township 53, range 25, west of the 4th meridian; thence south along the east boundary of said township 53, range 25, west of the 4th meridian, to the north limits of the City of Edmonton; thence west and south following the said limits of the City of Edmonton to the point of commencement.

EDSON.—Commencing at the intersection of the Pembina River in township 54, range 7, west of the 5th meridian, with the north boundary of townships 54; thence up stream along the said Pembina River to the intersection with the north boundary of township 52, range 7, west of the 5th meridian; thence west along the said north boundary of township 52, range 7, west of the 5th meridian, to the meridian line between ranges 11 and 12, west of the 5th meridian; thence south along the said meridian line between ranges 11 and 12, west of the 5th meridian, to the north boundary of townships 47, thence east

along the said north boundary of townships 47 to the intersection with the North Saskatchewan River in range 7, west of the 5th meridian; thence up stream along the said North Saskatchewan River to the meridian line between ranges 9 and 10, west of the 5th meridian; thence south along the said meridian line between ranges 9 and 10, west of the 5th meridian, to the north boundary of townships 34; thence east along the said north boundary of townships 34 to the meridian line between ranges 7 and 8, west of the 5th meridian; thence south along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the north boundary of townships 31; thence west along the said north boundary of townships 31 to the intersection with the west boundary of the Province of Alberta; thence generally north-westerly along the said west boundary of the Province of Alberta to the north boundary of townships 54; thence east along the said north boundary of townships 54 to the point of commencement.

LEDUC.—Commencing at the south-east corner of section 22, township 52, range 24, west of the 4th meridian, and being the south-east corner of the limits of the City of Edmonton; thence east along the north boundaries of sections 13 and 14, in township 52, range 24, west of the 4th meridian, to the meridian line between ranges 23 and 24, west of the 4th meridian; thence south along the said meridian line between ranges 23 and 24, west of the 4th meridian, to the north boundary of townships 47; thence west along the said north boundary of townships 47 to the intersection with the North Saskatchewan River; thence down-stream and following the said North Saskatchewan River to the intersection with the west boundary of section 24, township 52, range 25, west of the 4th meridian; thence south along the said west boundary of section 24, township 52, range 25, west of the 4th meridian, to the south-west corner thereof; thence east along the south boundary of the said section 24, township 52, range 25, west of the 4th meridian, and the south boundary of sections 19 and 20, in township 52, range 24, west of the 4th meridian, to the south-east corner of the south-west quarter of section 20, township 52, range 24, west of the 4th meridian; thence south along the centre line of section 17, township 52, range 24, west of the 4th meridian, to the south-east corner of the south-west quarter of the said section 17, township 52, range 24, west of the 4th meridian; thence east along the south boundary of the said section 17 and also section 16, in township 52, range 24, west of the 4th meridian, to the east boundary of the right-of-way of the Calgary and Edmonton Railway, as shown upon Railway Plan C. & E. No. 1 of record in the Land Titles Office for the North Alberta Land Registration District; thence north along the said east boundary of the said right-of-way to the south boundary of "Speedway Subdivision" as shown upon Registered Plan No. 1930R of record in the said Land Titles Office; thence east and along the said south boundary of said subdivision to the centre line of section 16, township 52, range 24, west of the 4th meridian; thence north along the said centre line of section 16, township 52, range 24, west of the 4th meridian, to the north boundary thereof; thence east along the north boundary of the north-east quarter of section 16 and of section 15, township 52, range 24, west of the 4th meridian, to the point of commencement.

EDMONTON.—Commencing at the point of intersection of the north boundary of section 19, township 53, range 23, west of the 4th meridian, with the North Saskatchewan River; thence west along the north boundary of section 19, township 53, range 23, west of the 4th meridian, and the north boundaries of sections 24, 23, 22, 21, 20 and 19, in township 53, range 24, west of the 4th meridian; and the north boundaries of sections 24 and 23, township 53, range 25, west of the 4th meridian, to the quarter section corner on the north boundary of section 23, township 53, range 25, west of the 4th meridian; thence south along the line between the east and west halves of sections 23, 14, 11 and 2, township 53, range 25, west of the 4th meridian, and the line between the east and west halves of sections 35, 26 and 23, township 52, range 25, west of the 4th meridian, to the point of intersection of the line between the east and west halves of section 23, township 52, range 25, west of the 4th meridian, with the North Saskatchewan River; thence north-easterly and down-stream along the said North Saskatchewan River to the intersection with the west

boundary of section 24, township 52, range 25, west of the 4th meridian; thence south along the said west boundary of section 24, township 52, range 25, west of the 4th meridian, to the south-west corner thereof; thence east along the south boundary of the said section 24, township 52, range 25, west of the 4th meridian, and the south boundary of sections 19 and 20, in township 52, range 24, west of the 4th meridian, to the south-east corner of the south-west quarter of section 20, township 52, range 24, west of the 4th meridian; thence south along the centre line of section 17, township 52, range 24, west of the 4th meridian, to the south-east corner of the south-west quarter of section 17; thence east along the south boundary of the said section 17 and also section 16, in township 52, range 24, west of the 4th meridian, to the east boundary of the right-of-way of the Calgary and Edmonton Railway, as shown upon Railway Plan C. & E. No. 1 of record in the Land Titles Office for the North Alberta Land Registration District; thence north along the said east boundary of the said right-of-way to the south boundary of "Speedway Subdivision" as shown upon Registered Plan No. 1930-R, of record in the said Land Titles Office; thence east and along the said south boundary of the said subdivision to the centre line of section 16, township 52, range 24, west of the 4th meridian; thence north along the said centre line of section 16, township 52, range 24, west of the 4th meridian, to the north boundary thereof; thence east along the north boundary of the north-east quarter of section 16 and of section 15, township 52, range 24, west of the 4th meridian, to the north-east corner of the said section 15, township 52, range 24, west of the 4th meridian; thence north along the east boundaries of sections 22, 27, and 34, in township 52, range 24, west of the 4th meridian, and of River Lot 29 in the Edmonton Settlement and the production thereof to the North Saskatchewan River; thence down-stream and following the said North Saskatchewan River to the point of commencement.

CLOVER BAR.—Commencing at the intersection of the meridian line between ranges 18 and 19, west of the 4th meridian, with the north boundary of townships 55; thence south along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the north boundary of township 54; thence west along the said north boundary of township 54 to the meridian line between ranges 19 and 20, west of the 4th meridian; thence south along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the north boundary of townships 48; thence west along the said north boundary of townships 48 to the meridian line between ranges 21 and 22, west of the 4th meridian; thence south along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the north boundary of townships 47; thence west along the said north boundary of townships 47 to the meridian line between ranges 23 and 24, west of the 4th meridian; thence north along the said meridian line between ranges 23 and 24, west of the 4th meridian, to the north-east corner of section 13, township 52, range 24, west of the 4th meridian; thence west along the north boundary of sections 13 and 14, in township 52, range 24, west of the 4th meridian, to the north-west corner of the said section 14, township 52, range 24, west of the 4th meridian; thence north along the east boundary of sections 22, 27, and 34, in township 52, range 24, west of the 4th meridian, and of River Lot 29 in the Edmonton Settlement and the production thereof to the North Saskatchewan River; thence down-stream and following the said North Saskatchewan River to the intersection with the north boundary of township 55; thence east along the said north boundary of township 55 to the point of commencement.

WAINWRIGHT.—Commencing at the intersection of the Battle River and the eastern boundary of the Province of Alberta, in township 45; thence westerly up-stream along Battle River to the point of its intersection with the meridian line between ranges 5 and 6, west of the 4th meridian; thence north along said meridian line between ranges 5 and 6, west of the 4th meridian, to the north-east corner of township 47, range 6, west of the 4th meridian; thence west along the north boundary of the 47th townships to the north-east corner of township 47, range 11, west of the 4th meridian; thence south along the meridian line between ranges 10 and 11, west of the 4th meridian, to the north-east corner of township 44, range 11, west of the 4th meridian;

thence east along the north boundary of the 44th townships to the north-east corner of township 44, range 8, west of the 4th meridian; thence south along the meridian line between ranges 7 and 8, west of the 4th meridian, to the north boundary of township 42, range 8, west of the 4th meridian; thence east along the north boundary of the 42nd townships to the north-east corner of township 42, range 6, west of the 4th meridian; thence south along the meridian line between ranges 5 and 6, west of the 4th meridian, to the north-east corner of township 40, range 6, west of the 4th meridian; thence east along the north boundary of the 40th townships to the east boundary of the Province of Alberta; thence north along the east boundary of the Province of Alberta to the point of commencement.

SEDGEWICK.—Commencing at the north-east corner of township 48, range 11, west of the 4th meridian; thence west along the north boundary of the 48th townships to the meridian line between ranges 15 and 16, west of the 4th meridian; thence south along the said meridian line between ranges 15 and 16, west of the 4th meridian, to the point of its intersection with the Battle River; thence south-east down-stream along said Battle River to the point of its intersection with the meridian line between ranges 10 and 11, west of the 4th meridian; thence north along said meridian line between ranges 10 and 11, west of the 4th meridian, to the point of commencement.

CAMROSE.—Commencing at the north-east corner of township 48, range 16, west of the 4th meridian; thence west along the north boundary of the 48th townships to the meridian line between ranges 21 and 22, west of the 4th meridian; thence south along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the shores of Bittern Lake; thence south-easterly and south-westerly along the eastern shore of Bittern Lake to the intersection with the meridian line between ranges 21 and 22, west of the 4th meridian; thence south along the said meridian line between ranges 21 and 22, west of the fourth meridian, to the north-east corner of township 41, range 22, west of the 4th meridian; thence east along the northerly boundary of the 41st townships to the intersection with the Battle River on the northerly boundary of township 41, range 17, west of the 4th meridian; thence south-easterly down-stream along the said Battle River to the meridian line between ranges 15 and 16, west of the 4th meridian; thence north along the said meridian line between ranges 15 and 16, west of the 4th meridian, to the point of commencement.

WETASKIWIN.—Commencing at the intersection of the west shore of Bittern Lake with the northerly boundary of the sections forming the southerly five-sixths of township 47, range 22, west of the 4th meridian; thence west along the northerly boundary of the sections forming the southerly five-sixths of the 47th townships to the North Saskatchewan River; thence south-westerly up-stream along the North Saskatchewan River to the northerly boundary of the 44th townships; thence east along the north boundary of the 44th townships to the north-east corner of section 32, township 44, range 23, west of the 4th meridian; thence south on the line between sections 32 and 33, township 44, range 23, west of the 4th meridian, to the Battle River; thence up the said river in a southerly direction to the north boundary of township 43, range 23, west of the 4th meridian; thence east along the north boundary of the 43rd townships to the north-east corner of township 43, range 22, west of the 4th meridian; thence north along the meridian between ranges 21 and 22, west of the 4th meridian, to the shores of Bittern Lake; thence easterly and northerly following the easterly shores of Bittern Lake to the point of commencement.

PONOKA.—Commencing at the north-east corner of township 43, range 22, west of the 4th meridian, thence westerly along the north boundary of the 43rd townships to the Battle River, in range 23; thence northerly down the said river to the line between sections 32 and 33, township 44, range 23, west of the 4th meridian; thence northerly on the said line to the north-east corner of section 32, township 44, range 23, west of the 4th meridian; thence west along the northerly boundary of the 44th townships to the North Saskatchewan River; thence southerly up-stream along the said North Saskatchewan River to the northerly boundary of the 41st townships; thence east along

the northerly boundary of the 41st townships to the meridian between ranges 21 and 22, west of the 4th meridian; thence north along the said meridian between ranges 21 and 22, west of the 4th meridian, to the point of commencement.

LACOMBE.—Commencing at the north-east corner of township 41, range 20, west of the 4th meridian; thence west along the northerly boundary of the 41st townships to the North Saskatchewan River; thence southerly up-stream following the said North Saskatchewan River to the northerly boundary of the 39th townships; thence east along the said northerly boundary of the 39th townships to the Blind Man River, in range 1, west of the 5th meridian; thence south-easterly following the said Blind Man River down-stream to the Red Deer River; thence along the said Red Deer River down-stream to the place where Tail Creek empties into the Red Deer River; thence up Tail Creek in a north-easterly direction to the south shore of Buffalo Lake; thence north-easterly along the southerly and easterly shores of Buffalo Lake to the intersection of the said shores of Buffalo Lake at its most easterly point with the north boundary of section 13, township 41, range 20, west of the 4th meridian; thence east along the north boundary of said section 13, township 41, range 20, west of the 4th meridian, to the easterly boundary of said township 41; thence north along the easterly boundary of said township 41, range 20, west of the 4th meridian, to the point of commencement.

RED DEER.—Commencing at the intersection of the Red Deer River with the north boundary of township 36, range 22, west of the 4th meridian; thence north up-stream along said Red Deer River to the Blind Man River; thence along the said Blind Man River up-stream to the north boundary of the 39th townships; thence west along the said north boundary of the 39th townships to the North Saskatchewan River; thence south and west up-stream along the said North Saskatchewan River to the meridian line between ranges 9 and 10, west of the 5th meridian; thence south along said meridian line between ranges 9 and 10, west of the 5th meridian, to the north boundary of the sections forming the south two-thirds of the 37th townships; thence east along the north boundary of the sections forming the south two-thirds of the 37th townships to the Red Deer River; thence along the Red Deer River up-stream to the north boundary of the 36th township, range 28, west of the 4th meridian; thence east along the north boundary of the 36th townships to the point of commencement.

INNISFAIL.—Commencing at the intersection of the Red Deer River with the north boundary of township 36, range 22, west of the 4th meridian; thence west along the north boundary of the 36th townships to the intersection with the Red Deer River in the 28th range, west of the 4th meridian; thence down-stream along the Red Deer River to the north boundary of section 22 in the 37th township, range 28, west of the 4th meridian; thence west along the section line which forms the north boundary of the sections comprising the south two-thirds of township 37 to its intersection with the meridian line between ranges 9 and 10, west of the 5th meridian; thence south along said meridian line between ranges 9 and 10, west of the 5th meridian, to its intersection with the north boundary of the 34th townships; thence east along the said north boundary of the 34th townships to the intersection with the Red Deer River in the 21st range, west of the 4th meridian; thence north up-stream along the said Red Deer River to the point of commencement.

OLDS.—Commencing at the intersection of the Red Deer River with the north boundary of township 34, in range 21, west of the 4th meridian; thence west along the said north boundary of township 34, in range 21, west of the 4th meridian, to the meridian line between ranges 7 and 8, west of the 5th meridian; thence south along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the north boundary of townships 31; thence east along the said north boundary of townships 31 to the intersection with the Red Deer River in range 21, west of the 4th meridian; thence northerly up stream along the said Red Deer River to the point of commencement.

STETTLER.—Commencing at the point of intersection of the meridian line between ranges 13 and 14, west of the 4th meridian and

the Battle River; thence north-westerly up-stream along said Battle River to the northerly boundary of the 41st townships; thence west along the northerly boundary of the 41st townships to the north-east corner of township 41, range 20, west of the 4th meridian; thence south along the meridian line between ranges 19 and 20, to the north-east corner of section 13, township 41, range 20, west of the 4th meridian; thence west along the north boundary of said section 13, township 41, range 20, west of the 4th meridian, to the shores of Buffalo Lake; thence following the south and east shores of said Buffalo Lake to the point where Tail Creek flows out of the said lake; thence southerly down Tail Creek to the Red Deer River; thence southerly down said Red Deer River to the northerly boundary of the 33rd townships; thence east along the said northerly boundary of the 33rd townships to the meridian line between ranges 13 and 14, west of the 4th meridian; thence north along said meridian line between ranges 13 and 14, west of the 4th meridian, to the point of commencement.

RIBSTONE.—Commencing at the intersection of the east boundary of the Province of Alberta with the north boundary of townships 40; thence south along the said east boundary of the Province of Alberta to the north boundary of townships 35; thence west along the said north boundary of townships 35 to the meridian line between ranges 3 and 4, west of the 4th meridian; thence north along the said meridian line between ranges 3 and 4, west of the 4th meridian, to the intersection with the shore of Sounding Lake; thence generally south-westerly, north-westerly, south-westerly and north-westerly, following the said shore of Sounding Lake to the intersection with the north boundary of townships 36; thence west along the said north boundary of townships 36 to the meridian line between ranges 7 and 8, west of the 4th meridian; thence north along the said meridian line between ranges 7 and 8, west of the 4th meridian, to the north boundary of townships 38; thence west along the said north boundary of townships 38 to the meridian line between ranges 10 and 11, west of the 4th meridian; thence north along the said meridian line between ranges 10 and 11, west of the 4th meridian, to the north boundary of townships 44; thence east along the said north boundary of townships 44 to the meridian line between ranges 7 and 8, west of the 4th meridian; thence south along the said meridian line between ranges 7 and 8, west of the 4th meridian, to the north boundary of townships 42; thence east along the said north boundary of townships 42 to the meridian line between ranges 5 and 6, west of the 4th meridian; thence south along the said meridian line between ranges 5 and 6, west of the 4th meridian, to the north boundary of townships 40; thence east along the said north boundary of townships 40 to the point of commencement.

CORONATION.—Commencing at the north-east corner of township 35, range 1, west of the 4th meridian; thence west along the north boundary of the 35th townships to the meridian line between ranges 3 and 4, west of the 4th meridian; thence north along the said meridian line between ranges 3 and 4, west of the 4th meridian, to the intersection with the shore of Sounding Lake; thence generally south-westerly, north-westerly, south-westerly and north-westerly, following the said shore of Sounding Lake to the intersection with the north boundary of townships 36; thence west along the said north boundary of the 36th townships to the meridian line between ranges 7 and 8, west of the 4th meridian; thence north along the said meridian line between ranges 7 and 8, west of the 4th meridian, to the north-east corner of township 38, range 8, west of the 4th meridian; thence west along the north boundary of the 38th townships to the meridian line between ranges 10 and 11, west of the 4th meridian; thence north along the said meridian line between ranges 10 and 11, west of the 4th meridian, to the point of intersection with the Battle River; thence westerly up-stream along the said Battle River to the intersection with the meridian line between ranges 13 and 14, west of the 4th meridian; thence south along said meridian line between ranges 13 and 14, west of the 4th meridian, to the south-west corner of township 33, range 13, west of the 4th meridian; thence east along the southern boundary of the 33rd townships to the meridian line between ranges 10 and 11, west of the 4th meridian; thence south along said meridian

line, between ranges 10 and 11, west of the 4th meridian, to the south-west corner of township 32, range 10, west of the 4th meridian; thence east along the southerly boundary of the 32nd townships to the meridian line between ranges 6 and 7, west of the 4th meridian; thence south along said meridian line between ranges 6 and 7, west of the 4th meridian, to the south-west corner of township 31, range 6, west of the 4th meridian; thence east along the south boundary of the 31st townships to the intersection with the eastern boundary of the Province of Alberta; thence north along said eastern boundary of the Province of Alberta to the point of commencement.

ACADIA.—Commencing at the north-east corner of township 30, range 1, west of the 4th meridian; thence west along the north boundary of the 30th townships to the line between ranges 6 and 7, west of the 4th meridian; thence north along the east boundary of township 31, range 7, west of the 4th meridian, to the north-east corner of said township 31, range 7, west of the 4th meridian; thence west along the north boundary of the 31st townships to the north-east corner of township 31, range 11, west of the 4th meridian; thence south along the meridian line between ranges 10 and 11, west of the 4th meridian, to the point of its intersection with the Red Deer River; thence generally easterly along said Red Deer River, down-stream, to the eastern boundary of the Province of Alberta; thence north along said eastern boundary of the Province of Alberta to the point of commencement.

HAND HILLS.—Commencing at the intersection of the meridian line between ranges 10 and 11, west of the 4th meridian, with the north boundary of townships 32; thence south along the said meridian line between ranges 10 and 11, west of the 4th meridian, to the intersection with the Red Deer River; thence in a general direction north-westerly and up-stream along the said Red Deer River to the intersection with the meridian line between ranges 17 and 18, west of the 4th meridian; thence north along the said meridian line between ranges 17 and 18, west of the 4th meridian, to the north boundary of township 28; thence west along the said north boundary of township 28 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence north along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the section line dividing the north and south halves of townships 29; thence west along the said section line dividing the north and south halves of townships 29 to intersection with the Red Deer River; thence up-stream along the said Red Deer River to the north boundary of townships 33; thence east along the said north boundary of townships 33 to the meridian line between ranges 13 and 14, west of the 4th meridian; thence south along the meridian line between ranges 13 and 14, west of the 4th meridian, to the north boundary of townships 32; thence east along the said north boundary of townships 32 to the point of commencement.

DRUMHELLER.—Commencing at the intersection of the meridian line between ranges 17 and 18, west of the 4th meridian, with the north boundary of township 28; thence south along the said meridian line between ranges 17 and 18, west of the 4th meridian, to the north boundary of township 26; thence west along the said north boundary of township 26 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence north along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the north boundary of township 27; thence west along the said north boundary of township 27 to the meridian line between ranges 19 and 20, west of the 4th meridian; thence north along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the north boundary of township 28; thence west along the said north boundary of township 28 to the meridian line between ranges 20 and 21, west of the 4th meridian; thence north along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the intersection with the Red Deer River; thence up-stream along the said Red Deer River to the intersection with the section line dividing the north and south halves of townships 29; thence east along the said section line dividing the north and south halves of townships 29 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence south along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the north boundary of townships 28; thence east along the said north boundary of townships 28 to the point of commencement.

DIDSBURY.—Commencing at the intersection of the Red Deer River with the north boundary of townships 31; thence west along the said north boundary of townships 31 to the meridian line between ranges 6 and 7, west of the 5th meridian; thence south along the said meridian line between ranges 6 and 7, west of the 5th meridian, to the north boundary of townships 30; thence east along the said north boundary of townships 30 to the meridian line between ranges 3 and 4, west of the 5th meridian; thence south along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of townships 29; thence east along the said north boundary of townships 29 to the meridian line between ranges 27 and 28, west of the 4th meridian; thence south along the said meridian line between ranges 27 and 28, west of the 4th meridian, to the north boundary of townships 28; thence east along the said north boundary of townships 28 to the intersection with the meridian line between ranges 20 and 21, west of the 4th meridian; thence north along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the intersection with the Red Deer River; thence north up stream along the said Red Deer River to the point of commencement.

COCHRANE.—Commencing at the intersection of the meridian line between ranges 27 and 28, west of the 4th meridian, with the north boundary of townships 29; thence south along the said meridian line between ranges 27 and 28, west of the 4th meridian, to the north boundary of township 26; thence west along the said north boundary of township 26 to the meridian line between ranges 28 and 29, west of the 4th meridian; thence south along the said meridian line between ranges 28 and 29, west of the 4th meridian, to the north-east corner of section 12, township 25, range 29, west of the 4th meridian; thence west along the north boundary of sections 12, 11, 10 and 9, in township 25, range 29, west of the 4th meridian, and of sections 12, 11, 10, 9, 8, and 7, in township 25, range 1, west of the 5th meridian, and of sections 12, 11, 10, 9, 8, and 7, in township 25, range 2, west of the 5th meridian, to the meridian line between ranges 2 and 3, west of the 5th meridian; thence south along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the intersection with the Elbow River; thence south-easterly along the said Elbow River to the north boundary of townships 23; thence west along the said north boundary of townships 23 to the meridian line between ranges 4 and 5, west of the 5th meridian; thence south along the said meridian line between ranges 4 and 5, west of the 5th meridian, to the intersection with the Elbow River; thence generally south-westerly and upstream along the Elbow River to the intersection with the meridian line between ranges 7 and 8, west of the 5th Meridian; thence north along the said meridian line between ranges 7 and 8, west of the 5th meridian, produced through the Stony Indian Reserve, to the north boundary of townships 31; thence east along the said north boundary of townships 31 to the meridian line between ranges 6 and 7, west of the 5th meridian; thence south along the said meridian line between ranges 6 and 7, west of the 5th meridian, to the north boundary of townships 30; thence east along the said north boundary of townships 30 to the meridian line between ranges 3 and 4, west of the 5th meridian; thence south along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of townships 29; thence east along the said north boundary of townships 29 to the point of commencement.

ROCKY MOUNTAIN.—Commencing at the intersection of the meridian line between ranges 7 and 8, west of the 5th meridian, with the north boundary of townships 31; thence south along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the north boundary of township 19; thence east along the said north boundary of township 19 to the meridian line between ranges 6 and 7, west of the 5th meridian; thence south along the said meridian line between ranges 6 and 7, west of the 5th meridian, to the north boundary of townships 18; thence east along the said north boundary of townships 18 to the meridian line between ranges 5 and 6, west of the 5th meridian; thence south along the said meridian line between ranges 5 and 6, west of the 5th meridian, to the north boundary of townships 16; thence east along the said north boundary of townships 16 to the meridian line between ranges 3 and 4, west of the 5th meridian; thence south along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of township 11; thence east along the said north boundary of township 11 to the meridian line between ranges 2 and 3, west of the 5th meridian; thence south

along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the north boundary of townships 4; thence west along the said north boundary of townships 4 to the west boundary of the Province of Alberta; thence generally north-westerly along the said west boundary of the Province of Alberta to the north boundary of townships 31; thence east along the said north boundary of townships 31 to the point of commencement.

CALGARY.—Commencing at the north-east corner of section 10, township 25, range 29, west of the 4th meridian; thence west along the north boundary of sections 10 and 9, township 25, range 29, west of the 4th meridian, and of sections 12, 11, 10, 9, 8, and 7, in township 25, range 1, west of the 5th meridian, and of sections 12, 11, 10, 9, 8, and 7, in township 25, range 2, west of the 5th meridian; thence south along the meridian line between ranges 2 and 3, west of the 5th meridian, to its intersection with the Elbow River; thence south-easterly down stream along the Elbow River to the point of its intersection with the meridian line between ranges 1 and 2, west of the 5th meridian; thence south along the said meridian line between ranges 1 and 2, west of the 5th meridian, to the north-west corner of section 7, township 23, range 1, west of the 5th meridian; thence east along the north boundary of sections 7, 8, 9, 10, 11 and 12, township 23, range 1, west of the 5th meridian, and along the north boundary of sections 9 and 10, township 23, range 29, west of the 4th meridian, to the north-east corner of section 10, township 23, range 29, west of the 4th meridian; thence north along the east boundary of sections 15, 22, 27, and 34, township 23, range 29, west of the 4th meridian, and of sections 3, 10, 15, 22, 27, and 34, in township 24, range 29, west of the 4th meridian, and of sections 3 and 10 in township 25, range 29, west of the 4th meridian, to the point of commencement.

GLEICHEN.—Commencing at the intersection of the meridian line between ranges 21 and 22, west of the 4th meridian, with the north boundary of townships 28; thence south along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the intersection with the Bow River; thence up-stream along the said Bow River to the intersection with the north boundary of section 12, township 23, range 1, west of the 5th meridian; thence east along the said north boundary of section 12, township 23, range 1, west of the 5th meridian, and the north boundary of sections 9 and 10, township 23, range 29, west of the 4th meridian, to the north-east corner of section 10, township 23, range 29, west of the 4th meridian; thence north along the east boundary of sections 15, 22, 27, and 34, in township 23, range 29, west of the 4th meridian, and of sections 3, 10, 15, 22, 27 and 34, in township 24, range 29, west of the 4th meridian, and of sections 3 and 10 in township 25, range 29, west of the 4th meridian, to the north-east corner of section 10, township 25, range 29, west of the 4th meridian; thence east along the north boundary of sections 11 and 12 in township 25, range 29, west of the 4th meridian, to the meridian line between ranges 28 and 29, west of the 4th meridian; thence north along the said meridian line between ranges 28 and 29, west of the 4th meridian, to the north boundary of township 26; thence east along the said north boundary of township 26 to the meridian line between ranges 27 and 28, west of the 4th meridian; thence north along the said meridian line between ranges 27 and 28, west of the 4th meridian, to the north boundary of townships 28; thence east along the said north boundary of townships 28 to the point of commencement.

BOW VALLEY.—Commencing at the intersection of the meridian line between ranges 17 and 18, west of the 4th meridian, with the Red Deer River; thence down stream following the said Red Deer River to the intersection with the meridian line between ranges 11 and 12, west of the 4th meridian; thence southerly along the said meridian line between ranges 11 and 12, west of the 4th meridian, to the north boundary of townships 13; thence west along the said north boundary of townships 13 to the intersection with the Bow River in range 13, west of the 4th meridian; thence up stream and along the said Bow River to the intersection with the north boundary of township 17, in range 18, west of the 4th meridian; thence west along the said north boundary of township 17, to the meridian line between ranges 19 and 20, west of the 4th meridian; thence north along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the intersection with the Bow River; thence up stream and along the said Bow River to the intersection

with the meridian line between ranges 21 and 22, west of the 4th meridian; thence north along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the north boundary of townships 28; thence east along the said north boundary of townships 28 to the meridian line between ranges 19 and 20, west of the 4th meridian; thence south along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the north boundary of townships 27; thence east along the said north boundary of townships 27 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence south along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the north boundary of townships 26; thence east along the said north boundary of townships 26 to the meridian line between ranges 17 and 18, west of the 4th meridian; thence north along the said meridian line between ranges 17 and 18, west of the 4th meridian, to the point of commencement.

OKOTOKS-HIGH RIVER.—Commencing at the intersection of the north boundary of section 12, township 23, range 1, west of the 5th meridian, with the Bow River; thence down-stream following the said Bow River to the intersection with the meridian line between ranges 24 and 25, west of the 4th meridian; thence south along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the north boundary of townships 17; thence west along the said north boundary of townships 17 to the meridian line between ranges 27 and 28, west of the 4th meridian; thence south along the said meridian line between ranges 27 and 28, west of the 4th meridian, to the north boundary of township 16; thence west along the said north boundary of township 16 to the meridian line between ranges 5 and 6, west of the 5th meridian; thence north along the said meridian line between ranges 5 and 6, west of the 5th meridian, to the north boundary of township 18; thence west along the said north boundary of township 18 to the meridian line between ranges 6 and 7, west of the 5th meridian; thence north along the said meridian line between ranges 6 and 7, west of the 5th meridian, to the north boundary of township 19; thence west along the said north boundary of township 19 to the meridian line between ranges 7 and 8, west of the 5th meridian; thence north along the said meridian line between ranges 7 and 8, west of the 5th meridian, to the intersection with the Elbow River; thence down-stream following the said Elbow River to the intersection with the meridian line between ranges 4 and 5, west of the 5th meridian; thence north along the said meridian line between ranges 4 and 5, west of the 5th meridian, to the north boundary of townships 23; thence east along the said north boundary of townships 23 to the intersection with the Bow River; thence down-stream and following the said Bow River to the meridian line between ranges 1 and 2, west of the 5th meridian; thence south and along the said meridian line between ranges 1 and 2, west of the 5th meridian, to the north boundary of section 7, township 23, range 1, west of the 5th meridian; thence east and along the north boundary of sections 7, 8, 9, 10, 11, and 12, in township 23, range 1, west of the 5th meridian, to the point of commencement.

NANTON-CLARESHOLM.—Commencing at the intersection of the meridian line between ranges 24 and 25, west of the 4th meridian, with the north boundary of township 17; thence south along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the section line dividing the north and south halves of townships 11; thence west along the said section line dividing the north and south halves of townships 11 to the meridian line between ranges 29 and 30, west of the 4th meridian; thence north along the said meridian line between ranges 29 and 30, west of the 4th meridian, to the north boundary of townships 12; thence west along the said north boundary of townships 12 to the meridian line between ranges 2 and 3, west of the 5th meridian; thence north along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the north boundary of township 13; thence west along the said north boundary of township 13 to the meridian line between ranges 3 and 4, west of the 5th meridian; thence north along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of township 16; thence east along the said north boundary of township 16 to the meridian line between ranges 27 and 28, west of the 4th meridian;

thence north along the said meridian line between ranges 27 and 28, west of the 4th meridian, to the north boundary of townships 17; thence east along the said north boundary of townships 17 to the point of commencement.

LITTLE BOW.—Commencing at the meridian line between ranges 19 and 20, west of the 4th meridian, with the Bow River; thence south along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the north boundary of townships 12; thence west along the said north boundary of townships 12 to the meridian line between ranges 20 and 21, west of the 4th meridian; thence south along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the north boundary of townships 11; thence west along the said north boundary of townships 11 to the meridian line between ranges 24 and 25, west of the 4th meridian; thence north along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the intersection with the Bow River; thence down stream along the said Bow River to the point of commencement.

TABER.—Commencing at the intersection of the Bow River with the north boundary of township 17, range 18, west of the 4th meridian; thence generally south-easterly and down-stream to the intersection with the meridian line between ranges 10 and 11, west of the 4th meridian; thence south along the said meridian line between ranges 10 and 11, west of the 4th meridian, to the north boundary of townships 7; thence west along the said north boundary of townships 7 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence south along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the intersection with the north boundary of townships 6; thence west along the said north boundary of townships 6 to the intersection with the St. Mary's River; thence down-stream along the said St. Mary's River to the intersection with the north boundary of township 7; thence east along the said north boundary of township 7 to the east boundary of section 4, township 8, range 21, west of the 4th meridian; thence north along the east boundary of sections 4, 9, 16, 21, 28 and 33, in township 8, range 21, west of the 4th meridian, and the east boundary of sections 4, 9, 16, 21, 28 and 33, in township 9, range 21, west of the 4th meridian, and the east boundary of sections 4, 9, 16, 21, 28 and 33, in township 10, range 21, west of the 4th meridian, to the north boundary of township 10; thence east along the said north boundary of township 10 to the meridian line between ranges 20 and 21, west of the 4th meridian; thence north along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the north boundary of township 12; thence east along the said north boundary of township 12 to the meridian line between ranges 19 and 20, west of the 4th meridian; thence north along the said meridian line between ranges 19 and 20, west of the 4th meridian, to the intersection with the north boundary of townships 17; thence east along the said north boundary of townships 17 to the point of commencement.

MEDICINE HAT.—All of townships 12 and 13, in ranges 5 and 6, west of the 4th meridian.

CYPRESS.—Commencing at the north-east corner of township 12, range 1, west of the 4th meridian; thence west along the north boundary of the 12th townships, to the north-east corner of township 12, range 5, west of the 4th meridian; thence south along the meridian line between ranges 4 and 5, west of the 4th meridian, to the north-east corner of township 11, range 5, west of the 4th meridian; thence west along the north boundary of the 11th townships to the north-east corner of township 11, range 7, west of the 4th meridian; thence north along the meridian line, between ranges 6 and 7, west of the 4th meridian, to the point of its intersection with the South Saskatchewan River; thence westerly up-stream along the said South Saskatchewan River to the point of its intersection with the meridian line between ranges 10 and 11, west of the 4th meridian; thence south along the meridian line between ranges 10 and 11, west of the 4th meridian, to the point of its intersection with the International Boundary; thence east along the International Boundary to the point of its intersection with the 4th meridian; thence north along the said 4th meridian to the point of commencement.

EMPRESS.—Commencing at the point of intersection of the Red Deer River with the 4th meridian; thence westerly along the said Red Deer River up-stream to the point of its intersection with the meridian line between ranges 11 and 12, west of the 4th meridian; thence south along the meridian line between ranges 11 and 12, west of the 4th meridian, to the north-east corner of township 13, range 12, west of the 4th meridian; thence west along the north boundary of the 13th townships to its intersection with the Bow River; thence southerly and down-stream along the Bow River to its junction with the Old Man River; thence easterly along the South Saskatchewan River down-stream to the point of its intersection with the meridian line between ranges 6 and 7, west of the 4th meridian; thence north along the meridian line between ranges 6 and 7, west of the 4th meridian, to the north-east corner of township 13, range 7, west of the 4th meridian; thence east along the north boundary of the 13th townships to the north-east corner of township 13, range 5, west of the 4th meridian; thence south along the meridian line between ranges 4 and 5, west of the 4th meridian, to the north-east corner of township 12, range 5, west of the 4th meridian; thence east along the north boundary of the 12th townships to the point of its intersection with the 4th meridian; thence north along the 4th meridian to the point of commencement.

WARNER.—Commencing at the intersection of the meridian line between ranges 10 and 11, west of the 4th meridian, with the north boundary of townships 7; thence south along the said meridian line between ranges 10 and 11, west of the 4th meridian, to the south boundary of the Province of Alberta; thence west along the said south boundary of the Province of Alberta to the meridian line between ranges 20 and 21, west of the 4th meridian; thence north along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the north boundary of townships 6; thence east along the said north boundary of townships 6 to the meridian line between ranges 18 and 19, west of the 4th meridian; thence north along the said meridian line between ranges 18 and 19, west of the 4th meridian, to the north boundary of townships 7; thence east along the said north boundary of townships 7 to the point of commencement.

LETHBRIDGE CITY.—The City of Lethbridge and commencing at the north-east corner of section 33, township 10, range 21, west of the 4th meridian; thence west along the north boundary of township 10 to the meridian line between ranges 21 and 22, west of the 4th meridian; thence south along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the north boundary of township 9; thence west along the said north boundary of township 9 to the meridian line between ranges 22 and 23, west of the 4th meridian; thence south along the said meridian line between ranges 22 and 23, west of the 4th meridian, to the Belly River; thence south-easterly down-stream along the Belly River to the point of its junction with the St. Mary's River; thence southerly up-stream along the St. Mary's River to the north boundary of townships 7; thence east along the said north boundary of townships 7 to the east boundary of section 4, township 8, range 21, west of the 4th meridian; thence north along the east boundary of sections 4, 9, 16, 21, 28 and 33, township 8, range 21, west of the 4th meridian, and the east boundary of sections 4, 9, 16, 21, 28 and 33, township 9, range 21, west of the 4th meridian, and the east boundary of sections 4, 9, 16, 21, 28 and 33, township 10, range 21, west of the 4th meridian, to the point of commencement.

MACLEOD.—Commencing at the intersection of the meridian line between ranges 20 and 21, west of the 4th meridian, with the north boundary of townships 11; thence west along the said north boundary of townships 11 to the meridian line between ranges 24 and 25, west of the 4th meridian; thence south along the said meridian line between ranges 24 and 25, west of the 4th meridian, to the section line dividing the north and south halves of townships 11; thence west along the said section line dividing the north and south halves of townships 11 to the meridian line between ranges 29 and 30, west of the 4th meridian; thence south along the said meridian line between ranges 29 and 30, west of the 4th meridian, to the north boundary of townships 8; thence east along the said north boundary of townships 8 to the

meridian line between ranges 27 and 28, west of the 4th meridian; thence south along the said meridian line between ranges 27 and 28, west of the 4th meridian, produced through the Peigan Indian Reserve, to the intersection with the Waterton River; thence down-stream along the said Waterton River to the intersection with the north boundary of townships 5; thence east along the said north boundary of townships 5, produced through the Blood Indian Reserve, to the intersection with the St. Mary's River; thence generally north-easterly and north-westerly along the said St. Mary's River to its junction with the Belly River; thence north-westerly up-stream along the said Belly River to its intersection with the meridian line between ranges 22 and 23, west of the 4th meridian; thence north along the said meridian line between ranges 22 and 23, west of the 4th meridian, to the north boundary of township 9; thence east along the said north boundary of township 9 to the meridian line between ranges 21 and 22, west of the 4th meridian; thence north along the said meridian line between ranges 21 and 22, west of the 4th meridian, to the north boundary of township 10; thence east along the said north boundary of township 10 to the meridian line between ranges 20 and 21, west of the 4th meridian; thence north along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the point of commencement.

PINCHER CREEK.—Commencing at the intersection of the meridian line between ranges 3 and 4, west of the 5th meridian, with the north boundary of townships 13; thence south along the said meridian line between ranges 3 and 4, west of the 5th meridian, to the north boundary of township 11; thence east along the said north boundary of township 11 to the meridian line between ranges 2 and 3, west of the 5th meridian; thence south along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the north boundary of townships 4; thence west along the said north boundary of townships 4 to the west boundary of the Province of Alberta; thence generally south-easterly along the said west boundary of the Province of Alberta to the south boundary of the Province of Alberta; thence east along the said south boundary of the Province of Alberta to the east shore of Waterton Lake; thence following the east shore of Waterton Lake to the Waterton River; thence north-easterly down-stream along the said Waterton River to the point of intersection of the meridian line between ranges 27 and 28, west of the 4th meridian; thence north along the said meridian line between ranges 27 and 28, west of the 4th meridian, produced through the Peigan Indian Reserve, to the north boundary of townships 8; thence west along the said north boundary of townships 8 to the meridian line between ranges 29 and 30, west of the 4th meridian; thence north along the said meridian line between ranges 29 and 30, west of the 4th meridian, to the north boundary of townships 12; thence west along the said north boundary of townships 12 to the meridian line between ranges 2 and 3, west of the 5th meridian; thence north along the said meridian line between ranges 2 and 3, west of the 5th meridian, to the north boundary of township 13; thence west along the said north boundary of township 13 to the point of commencement.

CARDSTON.—Commencing at the intersection of the meridian line between ranges 20 and 21, west of the 4th meridian, with the north boundary of townships 6; thence west along the said north boundary of townships 6 to the intersection with the St. Mary's River; thence generally south-westerly up-stream along the St. Mary's River to its intersection with the north boundary of townships 5; thence west along the said north boundary of townships 5, produced through the Blood Indian Reserve, to the intersection with the Waterton River; thence generally south-westerly up-stream along the said Waterton River to Waterton Lake; thence following the east shore of the said Waterton Lake to the intersection with the south boundary of the Province of Alberta; thence east along the said south boundary of the Province of Alberta to the meridian line between ranges 20 and 21, west of the 4th meridian; thence north along the said meridian line between ranges 20 and 21, west of the 4th meridian, to the point of commencement.
