

BILL

No. 22 of 1931

An Act respecting Arrears of Drainage Rates in Drainage Districts

(Assented to , 1931)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Alberta, enacts as follows

1. This Act may be cited as "*The Drainage Rates Arrears Act*"

2. In this Act, unless the context requires a contrary meaning, the expression "parcel" means a parcel of land as defined in *The Drainage Districts Act*, being chapter 46 of the Revised Statutes of Alberta, 1922.

3. With the consent of the Lieutenant Governor in Council, the Board of Trustees of any Drainage District, whose debentures have been guaranteed by the Province, may pass a by-law providing for the consolidation of all arrears for drainage debenture payments in respect of any parcel under *The Drainage Districts Act* which were arrears as at the first day of January, 1930, and that such arrears be paid by four equal annual consecutive instalments together with interest at such rate as may be approved by the Lieutenant Governor in Council.

4. Upon any such by-law being approved by the Lieutenant Governor in Council, any rate enforcement proceedings under *The Drainage Districts Act* in respect of such arrears shall be suspended.

5. The Board shall add to the amount of the ordinary annual drainage rates in respect of any parcel the amount of such instalments of arrears with respect to such parcel, together with interest, and thereupon the total amount of the ordinary rates and the sums so added shall constitute the rate payable in respect of such parcel within the meaning of *The Drainage Districts Act* and all the provisions of that Act relating to rate enforcement shall apply thereto.

6. If at any time default is made in the payment of the current drainage rates in respect of any parcel to which this Act applies, the whole of the arrears of drainage rates, including any arrears of rates in respect of such parcel payable by instalments pursuant to a by-law, shall become due and payable forthwith, and all the remedies provided by *The Drainage Districts Act* for rate enforcement shall be revived.

7. This Act shall come into force on the day upon which it is assented to.
