

Bill No. 72 of 1937.

A BILL TO AMEND THE STOCK INSPECTION
ACT, 1922.

NOTE.

Section 2 of the Bill provides that the notification of shipments of live stock to extra-provincial points may be made either by mail or by telegraph instead of by registered mail. The section further provides that the provisions of section 7 shall not apply to stock shipped out of the Province through Edmonton or through Calgary, or to or through Winnipeg, but empowers the Minister to designate areas or shipping points as areas or points from which shipments to or through Winnipeg may not be made without complying with the requirements of the said section.
