

Bill No. 116 of 1941.

A BILL RESPECTING AGREEMENTS FOR SALE OF  
MECHANIZED ROAD BUILDING EQUIPMENT

---

**NOTE.**

The object of this Bill is to require persons who sell to municipalities and others mechanized road building equipment to keep in the Province repair parts so that they may be quickly available when required. At present the municipalities have difficulty in getting repair parts for such machinery. The Bill follows closely the terms of section 5 of chapter 152 of the Revised Statutes of Alberta, 1922, *The Farm Machinery Act*.
