

Bill No. 65 of 1942.

A BILL TO AMEND THE GAME ACT, 1941.

NOTE.

This Bill amends *The Game Act, 1941*.

Section 33 was intended to permit the hunting of big game north of township 69 without a license in cases where the game was necessary for food. The purpose of the amendment is to exclude the settled and cultivated farming area in the Peace River district from the area to which the section applies.

Section 63 is amended. All areas originally within the Banff and Jasper Parks were declared to be game preserves. Several small areas of land have been excluded from these parks by recent alterations to their boundaries. This amendment provides that they shall also cease to be game preserves.

The amendment to section 67 is to enable the serving of game at dinners of Fish and Game Association and other charitable organizations.

W. S. GRAY,
Acting Legislative Counsel.
