

[Chairman: Mr. Bogle]

[3:07 p.m.]

MR. CHAIRMAN: Okay; I declare the meeting officially open. We're scheduled to meet this afternoon and tomorrow afternoon. It's my thought that we would deal with certain matters which need to be addressed while *Hansard* is with us, then move in camera today; tomorrow reconvene with *Hansard* present, and if there's a need, then go back in camera. Once we've gone through the draft report, there will be an opportunity to come back on the *Hansard* and address any matters which members

feel pertinent relative to recommendations being made.

So at this time the Chair will entertain a motion to move in camera.

MRS. BLACK: So moved.

MR. CHAIRMAN: Thank you. All in favour? Opposed? Carried.

[The committee met in camera at 3:08 p.m.]
