ORDERS OF THE DAY

Government Motions

19. Moved by Hon. Mrs. Nelson:

Be it resolved that the Assembly approve in general the business plans and fiscal policies of the Government.

Adjourned debate: Hon. Mr. Hancock

23. Moved by Hon. Mr. Jonson:

Be it resolved that given that the current process of appointing Senators offends Canadians' democratic values, has deprived that House of political legitimacy and efficacy, and has prevented the Senate from being effective in protecting the interests of the provinces of Canada; the Legislative Assembly directs the Government of Alberta to consult with Albertans on reforming the Senate through the following Constitutional amendment, namely by repealing Sections 21 to 34 of the Constitution Act, 1867 and substituting the following:

21(1) The Senate shall consist of elected members called Senators.

(2) Each Province shall be represented in the Senate by 6 Senators.

(3) Each Territory shall be represented in the Senate by 2 Senators.

22(1) Subject to this section, the Senators representing a Province or Territory shall be elected by the electors of that Province or Territory.

(2) The legislature of a Province or of a Territory may make laws relating to the election of Senators representing that Province or Territory, including the method of election and the procedure for the election.

(3) Except in the case of by-elections, and except in the case of the first election held pursuant to this section, the election of one-half of the Senators representing a Province or Territory shall be held in conjunction with the general elections of members of the legislative assembly of the Province or of the Territory.

(4) Except as otherwise provided in subsection (6) and unless the office is sooner vacated, and except in the case of a Senator elected in a by-election, the term of office of a Senator representing a Province or Territory continues until the official announcement of the results of the Senate elections held in conjunction with the second general election in that Province or Territory after the election of that Senator.

(5) The first election held pursuant to this section in each Province or Territory shall be for the election of all the Senators representing that Province or Territory.

(6) The term of office for one half of the Senators elected from each Province and Territory at the first election held pursuant to this section in each Province or Territory continues until the official announcement of the results of the Senate elections held in conjunction with the next general election in that Province or Territory.

(7) In relation to the Senators representing that Province or Territory, the legislature of a Province or of a Territory may make laws establishing which Senators subsection (6) applies to.

23(1) Subject to this section, a person is qualified to be a candidate and to be elected Senator if the person is eligible to be a candidate and to be elected as a member of the House of Commons.

(2) A person is not qualified to be elected as a Senator or to remain a Senator if the person

- (a) is a member of the House of Commons or of the legislative assembly of a Province or of a Territory, or
- (b) is a Minister of the Crown

(3) If any question arises respecting the qualification of a Senator, the question shall be heard and determined by the Senate.

24(1) A Senator may resign his or her seat by delivering a resignation to the Governor General.

(2) When a Senator resigns his or her seat in accordance with subsection (1), the seat immediately becomes vacant.

25(1) A by-election to fill a vacancy in the Senate representation of a Province or Territory need not be called if

- (a) the vacancy occurs during the last year of the legal life of the legislative assembly of the Province or of the Territory, and
- (b) the term of office of the Senator, who vacated that seat would have expired with the announcement of the results of the Senate elections held in conjunction with the next general election in the Province or Territory.

(2) The term of office for a Senator elected at a by-election shall be for the balance of the term of the Senator who vacated the seat.

26 The Senate may establish its own procedure for the election of the Speaker of the Senate and for the conduct of the Senate's business.

27 Subject to section 53, bills proposed to the Parliament of Canada may originate in the Senate equally as in the House of Commons.

28(1) Where a bill is presented to the Senate after being passed by the House of Commons, if the Senate

- (a) votes against passing the bill,
- (b) passes the bill with amendments that are not acceptable to the House of Commons, or
- (c) fails to vote on the bill within 180 days after it is presented to the Senate,

the bill may be brought before the House of Commons and if again passed by the House of Commons, with such amendments made by the Senate as are concurred in by the House, the bill may be presented to the Governor General for assent, and when assented to has the same force and effect as if passed in that form by the Senate.

(2) In a bill presented to the Governor General under this section, the words of enactment shall be amended by striking out any reference to the Senate.

(3) An alteration to a bill to give effect to subsection (2) is deemed not to be an amendment of the bill.

(4) This section does not apply to a bill referred to in section 30.

29 If the Speaker of the Senate or of the House of Commons rules that the subject matter of a bill is wholly or partially within section 94A or 95, the bill may be re-passed by the House of Commons under section 28 only if

- (a) the percentage of the members voting who vote to pass the bill is greater than the percentage of Senators voting who voted to reject the bill or pass it with amendments, or
- (b) the Senate fails to vote on the bill within 180 days after it is presented to the Senate.

30 Where a bill is presented to the Senate after being passed by the House of Commons and the Speaker of the Senate or of the House of Commons rules that the bill

- (a) directly affects in any way, including by taxation, the natural resources of a Province,
- (b) authorizes the expenditure of federal funds in areas of provincial jurisdiction under sections 92, 92A and 93,
- (c) is binding on a Province, or
- (d) declares a local work or undertaking to be of the general advantage of Canada or for the advantage of two or more Provinces

if the Senate votes against passing the bill or passes it with amendments not acceptable to the House of Commons no further proceedings may be taken on the bill.

31 Appointments to the Supreme Court of Canada and to the Federal Court of Appeal have no effect until they are ratified by the Senate.

32 No treaty shall be ratified by Canada unless the Senate has authorized Canada to ratify the treaty.

AND BE IT FURTHER RESOLVED THAT,

given that the Constitution establishes Canada as a federal system of government in which the sovereign powers of the Crown are divided between two separate but equal orders of government; and that the federal Parliament is comprised of two Houses: the House of Commons, which is designed to reflect the democratic principle of representation by population, and a Senate, which is designed to reflect the federal nature of Canada; and that Canada is a parliamentary democracy that has constitutionally enshrined the democratic right of every citizen of Canada to vote in an election of members of the House of Commons and of their legislative assembly;

the Legislative Assembly directs the Government of Alberta to initiate discussions with the Government of Canada and the governments of all other Provinces and Territories leading to the reform of the Senate.

Adjourned debate: Hon. Mr. Jonson

24. Hon. Mr. Zwozdesky to propose the following motion:

Be it resolved that the Legislative Assembly show its support to the Province of British Columbia in their efforts to bring awareness to all Canadians of the benefits of the 2010 Vancouver/Whistler Olympic Games to our athletes and young aspiring athletes, as well as the benefits to maximize tourism and economic benefits relating to these Games.
