ORDERS OF THE DAY

Consideration of Her Honour the Lieutenant Governor's Speech

(Day 5)

Moved by Mr. Williams and seconded by Ms Lovely:

That an humble address be presented to Her Honour the Honourable the Lieutenant Governor as follows:

To Her Honour the Honourable Salma Lakhani, AOE, B.Sc., LL.D (hon), the Lieutenant Governor of the Province of Alberta:

We, Her Majesty's most dutiful and loyal subjects, the Legislative Assembly, now assembled, beg leave to thank Your Honour for the gracious speech Your Honour has been pleased to address to us at the opening of the present Session.

Adjourned debate: Mr. Neudorf

Government Motions

4. Moved by Hon. Mr. Toews:

Be it resolved that the Assembly approve in general the business plans and fiscal policies of the Government.

Adjourned debate: Mr. Sabir

12. Oral notice having been given, Hon. Mr. Nixon to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that the current air travel restrictions imposed by the Government of Canada have no measurable public health benefit and continue to impact hundreds of thousands of jobs in the air travel and tourism sectors, and
- (b) call on the Government of Canada to revoke
 - (i) its proof of vaccination requirement for airline passengers, and
 - (ii) its pre-departure COVID-19 testing requirement for international airline passengers entering Canada.

Bill 202 Public Health (Transparency and Accountability) Amendment Act, 2022 —
Mr. Loewen (Due Day 13)

Motions Other Than Government Motions

502. Mr. Guthrie to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to:

- (a) support research into the adverse effects of the anti-malarial drug Mefloquine, sold under the brand name Lariam;
- (b) work with the federal government and other provincial governments to encourage the adoption of safe anti-malarial treatments; and
- (c) express support for Canadian veterans suffering with the effects of post-traumatic stress disorder resulting from the use of Mefloquine.

503. Ms Phillips to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to conduct a public inquiry into its handling of the COVID-19 pandemic, specifically the information on which and the process by which Government decisions related to the management of the pandemic were made, in order to provide guidance for addressing future pandemics.

504. Mr. Hanson to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to continue working to improve access to health care for residents of northern Alberta by increasing opportunities for post-secondary training in healthcare fields for rural students who agree to work in areas of rural Alberta that require medical professionals, once they have completed their training.

505. Mr. Barnes to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to deploy every legal, economic, and constitutional tool at the Province's disposal to maximize its ability to achieve a fair deal for Alberta within the Canadian federation.

506. Ms Rosin to propose the following motion:

Be it resolved that

- (a) the Standing Committee on Privileges and Elections, Standing Orders and Printing
 - (i) conduct a review of the Standing Orders, procedures, practices and traditions of other Westminster-style parliaments for the purpose of identifying the rules, processes or practices of those parliaments and their committees that facilitate collaboration and cooperation among their Members, and
 - (ii) recommend changes to the Standing Orders and practices of the Assembly, including its committees, that would facilitate increased collaboration and cooperation among all Members of the Assembly,
- (b) during the course of its review, the Committee continues despite prorogation of a session of the 30th Legislature and may, without leave of the Assembly, meet during a period when the Assembly is adjourned or prorogued, and
- (c) no later than nine months after the beginning of the Committee's review, the Committee must submit a report on its review to the Legislative Assembly that sets out the Committee's recommendations, if any.

507. Mr. Neudorf to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to review the rate of growth of the number of public servants employed by departments, public agencies, and municipalities, and establish benchmarks for hiring new employees that are linked to population and population growth to ensure that the size of the public service is appropriate.

508. Mr. Stephan to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to conduct an independent, comprehensive, public review into the Government's COVID-19 response, including a full cost analysis of public health measures and Government restrictions.

509. Mr. Nielsen to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to take any necessary steps to immediately create and implement a comprehensive strategy for the medical condition known as "long COVID," to support Albertans suffering long-term health impacts due to COVID-19 infection.

510. Ms Pancholi to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to implement a policy that requires the creation of onsite, licensed childcare spaces to be included as part of every new kindergarten to grade 12 school construction project funded by the Government of Alberta starting in the 2022-2023 fiscal year.
