505. Mr. Barnes to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to deploy every legal, economic, and constitutional tool at the Province's disposal to maximize its ability to achieve a fair deal for Alberta within the Canadian federation.

506. Ms Rosin to propose the following motion:

Be it resolved that

- (a) the Standing Committee on Privileges and Elections, Standing Orders and Printing
 - (i) conduct a review of the Standing Orders, procedures, practices and traditions of other Westminster-style parliaments for the purpose of identifying the rules, processes or practices of those parliaments and their committees that facilitate collaboration and cooperation among their Members, and
 - (ii) recommend changes to the Standing Orders and practices of the Assembly, including its committees, that would facilitate increased collaboration and cooperation among all Members of the Assembly,
- (b) during the course of its review, the Committee continues despite prorogation of a session of the 30th Legislature and may, without leave of the Assembly, meet during a period when the Assembly is adjourned or prorogued, and
- (c) no later than nine months after the beginning of the Committee's review, the Committee must submit a report on its review to the Legislative Assembly that sets out the Committee's recommendations, if any.

507. Mr. Neudorf to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to review the rate of growth of the number of public servants employed by departments, public agencies, and municipalities, and establish benchmarks for hiring new employees that are linked to population and population growth to ensure that the size of the public service is appropriate.

508. Mr. Stephan to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to conduct an independent, comprehensive, public review into the Government's COVID-19 response, including a full cost analysis of public health measures and Government restrictions.

509. Mr. Nielsen to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to take any necessary steps to immediately create and implement a comprehensive strategy for the medical condition known as "long COVID," to support Albertans suffering long-term health impacts due to COVID-19 infection.

510. Ms Pancholi to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to implement a policy that requires the creation of onsite, licensed childcare spaces to be included as part of every new kindergarten to grade 12 school construction project funded by the Government of Alberta starting in the 2022-2023 fiscal year.
