502. Mr. Shepherd to propose the following motion:

Be it resolved that the Legislative Assembly is of the view that COVID-19 vaccines are a prudent and necessary tool that allowed the economy to open more fully in 2021, and the ongoing use of these vaccines supports public health and safety, and the full operation of the economy and the education system;

And be it further resolved that the Legislative Assembly

- (a) affirm its trust in the science-based research, including research and vaccine development here in Alberta, that led to the creation of COVID-19 vaccines and that has saved the lives of tens of thousands of Albertans, and
- (b) reject claims that COVID-19 vaccines are bioweapons.

503. Hon. Ms Sigurdson to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government

- (a) to consider taking immediate action to reduce costs to seniors related to medical benefits, long-term care, continuing care, home care, assisted living, drivers' licence medical exams, and other basic essentials that have increased dramatically since 2019; and
- (b) to create an independent office of the Seniors' Advocate, the mandate of which would include
 - (i) helping seniors navigate provincial public services,
 - (ii) providing policy and affordability recommendations related to seniors to the Government, and
 - (iii) conducting reviews on providers of services to seniors to ensure seniors' needs are met.

504. Mr. Yao to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to reject the federal government's proposal to transition to an electricity system with net-zero emissions by 2035, given the extraordinary costs to Albertans, and instead support sustainable initiatives that reduce emissions from electricity generation.

508. Mr. Gotfried to propose the following motion:

Be it resolved that the Legislative Assembly condemn antisemitism, as defined by the International Holocaust Remembrance Alliance Plenary on May 26, 2016, with the Lieutenant Governor in Council adopting that definition on September 23, 2022, through its making of Order in Council 317/2022, to mean a certain perception of Jews, which may be expressed as hatred toward Jews, along with rhetorical and physical manifestations of antisemitism directed towards Jewish or non-Jewish individuals or their property or toward Jewish community institutions and religious facilities;

And be it further resolved that the Legislative Assembly urge the Government to provide clear direction that the International Holocaust Remembrance Alliance Plenary's definition of antisemitism, along with its illustrative examples, be adopted by all ministries, publicly funded school boards and post-secondary institutions, public agencies, boards and commissions, and other publicly funded, legislated or regulated entities under the authority of the Province so that these entities may better recognize and act against any instances of antisemitism as defined;

And be it further resolved that the Legislative Assembly urge the Minister responsible

- (a) to prepare a report on an annual basis following each calendar year that sets out the level and extent of antisemitic acts that have been publicly reported to have occurred in the Province during that year, and
