Motions Other Than Government Motions

517. Mr. Cyr to propose the following motion (replaced):

Be it resolved that the Legislative Assembly urge the Government of Canada to

(a) recognize the importance of preventing foreign entities from interfering with or influencing the decision-making of governments in Canada, and

(b) take all the necessary steps to protect governments in Canada from foreign interference by strengthening safeguards that protect Canadian sovereignty.

518. Hon. Ms Armstrong-Homeniuk to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to undertake a policy review, with the objective of expanding protection for Albertans who are at risk of anaphylaxis caused by severe life-threatening allergic reactions, on the feasibility of facilitating the availability and use of epinephrine autoinjectors by the following categories of entities that interact with the public:

- (a) businesses,
- (b) municipal fire departments,
- (c) emergency medical services operators,
- (d) school bus carriers.

519. Mr. Dach to propose the following motion:

Be it resolved that the Legislative Assembly recognize the need for reliable Government project funding to build a modern, effective, and well-planned public transit network that includes complementary and collaborative municipal, regional, and intercity components to meet the critical and essential public transit needs of the province.

520. Mr. Boitchenko to propose the following motion:

Be it resolved that the Legislative Assembly urge the federal government to recognize the Government of Alberta's

- (a) role as a reliable and responsible energy supplier, and
- (b) efforts to
 - (i) become a global commercial energy hub for natural gas transportation and liquid extraction, and
 - (ii) bring Alberta energy products to international markets based on the demand for ethically sourced oil and gas and worldwide energy security.

521. Hon. Ms Hoffman to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to expand women's healthcare services in Alberta by

- (a) ensuring that the full range of women's reproductive health services are publicly available in all regional hospitals, and
- (b) providing female contraceptive products free of charge.

523. Hon. Mr. Schmidt to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to

- (a) affirm the fundamental importance of the "polluter pays" principle that the costs of well cleanup and remediation should be borne by the entities responsible for their operation,
- (b) ensure that no public funds are allocated to entities for the purpose of cleaning up or remediating liabilities, and
- (c) strengthen existing regulations and enforcement mechanisms to protect current and future taxpayers by holding responsible parties that are accountable.

525. Ms Lovely to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that residents of rural communities and farm owners in Alberta face unique challenges related to crime, including property theft, vandalism and personal safety, and
- (b) urge the Government of Canada to introduce legislation to provide more legal certainty for individuals who are required to use force to defend themselves, their families and their property.

Motions for Returns

MR7. Mr. Dach to propose the following motion (Due Day 53):

That an Order of the Assembly do issue for a Return showing:

Copies of all documents, reports, studies, and communications, prepared by the Government during the period from May 1, 2019, to March 31, 2024, related to the consideration of raising the speed limit on provincial highways to 120 kilometres per hour.
