VOTES AND PROCEEDINGS

Third Session

Twenty-Second Legislature

Friday, March 15, 1991

The Speaker took the Chair at 10:00 a.m.

ROUTINE

Statement by Mr. Speaker

On the desks of all Hon. Members there should be a letter dated March 15, 1991, from myself which deals with the matters of parliamentary practice, Question Period, the Order Paper, and introductions. With the indulgence of the House, I would read just one portion of that which relates to Question Period.

The Chair has taken note of the increasing length of the preamble to questions during Question Period. A random review of Hansard indicates that six-sentence, 125-word preambles often precede the actual question, with some preambles reaching eight sentences and 160 words. Although Beauchesne clearly indicates that supplementary questions should need no preamble, Hansard again indicates preambles to supplementary questions running to four sentences and 70 words, no matter how quickly they're spoken. In order to preclude intervention by the Chair this session, the Chair would request that all members familiarize themselves with Beauchesne 409, with particular emphasis on 409(2), which reads, and I quote:

The question must be brief. A preamble need not exceed one carefully drawn sentence. A long preamble on a long question takes an unfair share of time and provokes the same sort of reply. A supplementary question should need no preamble.

In addition, the Chair would remind Hon. Ministers that the replies should be as brief as possible.

Commonwealth Day Message

The Speaker commented on the Commonwealth Day Message, dated March 11, 1991, distributed to all Members.

Notices of Motions

Mr. Lund, Hon. Member for Rocky Mountain House, gave oral notice of his intention to move the following motion under Standing Order 40 on Orders of the Day:
