#### **Reading and Receiving Petitions**

On request by Mrs. Gagnon, Hon. Member for Calgary-McKnight, the following petition was read and received:

Wherefore your petitioners pray that your Honourable Assembly may be pleased to call upon the Government of Alberta to review the present N.E.F. Contours as they relate to Calgary International Airport. These contours have been in place for over twenty years and have been used to make land use planning decisions by the City of Calgary in the area surrounding the airport. Since their determination, the usage level of the Calgary International Airport has greatly increased and the types of aircraft have changed drastically. We respectfully request that these contours be reviewed so that it is certain that they are accurate and truly reflect current noise levels.
