VOTES AND PROCEEDINGS

Fourth Session

Thirtieth Legislature

Wednesday, November 30, 2022

The Speaker took the Chair at 1:30 p.m.

The Speaker offered a prayer and a moment of silence was observed in recognition of the death of former Member Hon. Peter Trynchy, Member for Whitecourt, 1971 to 1993, and Whitecourt-Ste. Anne, 1993 to 2001, who passed away on November 21, 2022.

Speaker's Statement – Items in Daily Routine

Honourable Members, before I call upon the Clerk to call the Daily Routine, I noticed that Government Motion 9, which is on notice on the Order Paper, is proposing to amend a number of Standing Orders, including amendments with respect to two items in the Daily Routine: Introduction of Guests and Members' Statements. The motion seeks, among other things, to amend Standing Order 7(3) to provide that each day Members may make introductions under Introduction of Guests, that the time allotted for this item of business is four minutes, and that each Member's introduction may not exceed 20 seconds. In addition, an amendment has been proposed to Standing Order 7(4) to reduce the number of Members' Statements from nine to seven each day.

I understand that two unanimous consent requests may be coming forward that would seek to give effect to these proposed amendments this afternoon.

Hon. Mr. Schow, Government House Leader, requested and received the unanimous consent of the Assembly to waive Standing Order 7(3) in order to allow Members to make their own introductions of guests for a period not exceeding four minutes, and that each introduction shall not exceed 20 seconds.

Unanimous consent is granted. Accordingly, the Introduction of Guests this afternoon will follow the process I have just outlined.

Hon. Mr. Schow, Government House Leader, requested and received the unanimous consent of the Assembly to waive Standing Order 7(4) in order to allow for seven Members' Statements to be given today in the order outlined in the House Leaders' Agreement shared with all Members by the Speaker.

Unanimous consent is granted. The rotation for Members' Statements that will apply today is contained in a House Leaders' Agreement that I received on November 28, 2022, which has also been circulated to each Member and that I will table at the appropriate time today in the Routine.

Members' Statements

Mr. Rowswell, Hon. Member for Vermilion-Lloydminster-Wainwright, made a statement regarding Bill 1, Alberta Sovereignty Within a United Canada Act.

Hon. Mr. Eggen, Hon. Member for Edmonton-North West, made a statement regarding Government policies affecting post-secondary students.

Mr. Getson, Hon. Member for Lac Ste. Anne-Parkland, made a statement recognizing the life and legacy of Hon. Peter Trynchy.

Mr. Reid, Hon. Member for Livingstone-Macleod, made a statement regarding the opening of the Peaks to Pines seniors lodge.

Hon. Mr. Sabir, Hon. Member for Calgary-Bhullar-McCall, made a statement regarding Bill 1, Alberta Sovereignty Within a United Canada Act.

Mr. Gotfried, Hon. Member for Calgary-Fish Creek, made a statement regarding the Pacific NorthWest Economic Region Foundation.

Mr. Hanson, Hon. Member for Bonnyville-Cold Lake-St. Paul, made a statement regarding the federal government and Indigenous Protected and Conserved Areas.

Speaker's Statement – Oral Question Period and Members' Statements Rotations

Honourable Members, as this is the first regular sitting day of the Fourth Session, there is some information I wish to share with you prior to Oral Question Period.

I would like to inform you that modifications have been made to the Oral Question Period and Members' Statements rotations based upon the House Leaders' Agreement I mentioned in my earlier statement. One oral question each week and one Member's Statement every three weeks had been assigned to the Member who was an independent Member during the Spring sitting, the Member for Central Peace-Notley. However, since that Member is now a member of the United Conservative caucus, that question and Member's Statement have been allocated to the United Conservative caucus. The Member for Cypress-Medicine Hat will be entitled to question eight on day three, and the Member for Edmonton-South will be entitled to question nine on day four.

Each of the independent Members will continue to be allocated one Member's Statement every three weeks. The Member for Cypress-Medicine Hat is allocated a statement on Monday of week two of the rotation, and the Member for Edmonton-South has been allocated a statement on Monday of week three.

With respect to private Members' business, there have been some modifications to the list of positions for Private Members' Public Bills and Motions Other Than Government Motions drawn for the Fourth Session. As a result of the recent appointments of certain private Members to Executive Council and the resignation of the former Member for Brooks-Medicine Hat, Bills 210, 224, 231, 238, 239, 245, 246, 253, 254, and 255 and Motions Other Than Government Motions 510, 515, 520, 521, 523, 526, 539, 542, 543, and 551 have all been withdrawn from the list of positions for the Fourth Session of the 30th Legislature.

As I reminded you in the procedural memo sent to Members on November 28, 2022, a number of parliamentary secretaries have been appointed recently. I want to remind you that parliamentary secretaries are private Members. They are not members of Executive Council. Accordingly, they have the rights and duties of private Members, not of members of Cabinet. I refer Members to the rulings by Speaker Kowalski on April 16, 2008, which can be found on page 13 of Hansard for that day, and Speaker Wanner, which can be found on page 1599 of Hansard for October 30, 2017, which indicate that it is inappropriate for parliamentary secretaries to direct questions to the minister with whom the parliamentary secretary is affiliated. Accordingly, I would ask the parliamentary secretaries to refrain from posing questions to their Ministers.

With respect to House leadership, I would remind Members that the Member for Bonnyville-Cold Lake-St. Paul is a private Member. He has been appointed as a Deputy Government House Leader. Members will recall that the current Government House Leader was previously appointed as Deputy Government House Leader during the 2021 Fall sitting also when he was a private Member. On October 25, 2021, I made a statement on the scope of that Member's role as a Deputy Government House Leader, and I would urge the Member for Bonnyville-Cold Lake-St. Paul and all Members to review those remarks, which can be found on page 5647 of Hansard for that day.

I wish to remind Members that the election of the Deputy Chair of Committees will take place immediately following the Routine.

Finally, as we embark on this session, please remember that in accordance with Standing Order 13(7), Members must be in their assigned seat when speaking or voting.
