Bill 6 Education (Prioritizing Literacy and Numeracy) Amendment Act, 2025
(No. 2) — Hon. Mr. Nicolaides

Government Motions

17. Moved by Hon. Mr. Amery:

Be it resolved that the Legislative Assembly approve, pursuant to section 3 of the Alberta Sovereignty Within a United Canada Act, the following motion:

1. The Legislative Assembly is of the view that

- (a) in accordance with section 92 of the Constitution Act, 1867, the Alberta Legislature has exclusive legislative jurisdiction over, inter alia, property and civil rights within the province and matters of a local and private nature,
- (b) firearms ownership is a matter that falls within this exclusive legislative jurisdiction over property and civil rights and matters of a local and private nature within the province,
- (c) the Alberta Bill of Rights guarantees the right of every Albertan to acquire, keep and use firearms in accordance with the law,
- (d) the Alberta Bill of Rights guarantees the right of every Albertan not to be subject to a taking of property without just compensation,
- (e) the Government of Canada has, through amendments to the Regulations Prescribing Certain Firearms and Other Weapons, Components and Parts of Weapons, Accessories, Cartridge Magazines, Ammunition and Projectiles as Prohibited, Restricted or Non-Restricted [SOR/2020-96, SOR/2024-248, SOR/2025-86] prohibited ownership of over 2500 models of firearms based on arbitrary criteria, and has initiated the federal Assault-Style Firearms Compensation Program (collectively, the “Federal Firearms Seizure Initiative”),
- (f) in association with clause (e), the Government of Canada has made temporary amnesty orders SOR/2020-97, SOR/2024-249, and SOR/2025-87 under the authority of section 117.14 of the Criminal Code to shield owners of prohibited firearms from criminal charges associated with unauthorized possession of prohibited firearms, while still prohibiting them from using or enjoying their lawfully obtained property,
- (g) the Federal Firearms Seizure Initiative will unjustifiably interfere with the rights of law-abiding Alberta firearms owners, and violate the jurisdiction of the Alberta Legislature,
- (h) the Alberta Legislature has exercised jurisdiction over firearms by enacting the Alberta Firearms Act, which establishes the office of the Alberta Chief Firearms Officer, provides for provincial regulation and enforcement in relation to firearms, and empowers the Government to control firearms seizure activities,
- (i) in 2023, the Government enacted the Alberta Firearms Regulation, which requires the written approval of the Minister of Justice before municipalities may pursue federal funding for the seizure of legally acquired firearms,
- (j) in 2023, the Government enacted the Seizure Agent and Provider Licensing Regulation, which requires that anyone seizing firearms under the Assault-Style Firearms Compensation Program must first be licensed to do so by the Minister of Justice,

(k) the Attorney General directed that the Alberta Crown Prosecution Service assume the responsibility for charges under the federal Firearms Act, in addition to their existing responsibility for charges under the Criminal Code, effective January 1, 2023,

(l) the Attorney General has issued directives to the Alberta Crown Prosecution Service that the prosecution of offences for continued possession of firearms referred to in clause (e) will generally not be in the public interest,

(m) the Attorney General has issued a directive to the Alberta Crown Prosecution Service that prosecution for the use of reasonable force to defend oneself and others in one's home will generally not be in the public interest,

(n) the Premier, the Minister of Justice, and the Alberta Chief Firearms Officer have strenuously advocated against the Federal Firearms Seizure Initiative in all available venues,

(o) it is the position of the Government that it will not assist in any way with the Federal Firearms Seizure Initiative, and

(p) the Government is committed to ensuring that law-abiding Albertans maintain the right to acquire, keep and use firearms and are not unreasonably restricted in their ownership by any other government.

2. The Legislative Assembly is of the opinion that

(a) the Federal Firearms Seizure Initiative is unconstitutional, and interferes with exclusive provincial legislative jurisdiction over property and civil rights and matters of a local and private nature, and

(b) the Federal Firearms Seizure Initiative will cause or is anticipated to cause harm to Albertans by:

(i) criminalizing the continued possession of firearms arbitrarily classified as prohibited under the Federal Firearms Seizure Initiative after the expiration of the associated amnesty orders,

(ii) stripping the monetary value of previously valuable, legally obtained property,

(iii) removing their ability to participate in and sustain long-established, safe shooting sports and other firearms-related cultural activities that have occurred for generations, and

(iv) diverting federal funds from initiatives that directly enhance public safety for Albertans, such as improved border security and bail reform.

And be it further resolved that the Legislative Assembly urge the Lieutenant Governor in Council to consider the following responses to the Federal Firearms Seizure Initiative:

- (a) take all reasonable steps to ensure that neither the Government nor any provincial entity, as defined in the Alberta Sovereignty Within a United Canada Act, participates in the implementation or enforcement of the Federal Firearms Seizure Initiative;
- (b) use all legal means necessary to oppose the implementation or enforcement of the Federal Firearms Seizure Initiative in Alberta, including by refusing to provide any resources or assistance to the federal government as it seeks to implement its Federal Firearms Seizure Initiative in Alberta;
- (c) direct the Attorney General to regularly review directives issued to the Alberta Crown Prosecution Service relating to the prosecution of offences for possession of firearms and the right of all Albertans to use reasonable force to defend themselves in their own home, and to revise such protocols from time to time as the Attorney General deems appropriate;
- (d) direct the Minister of Public Safety and Emergency Services to issue guidance to Alberta law enforcement agencies that notwithstanding the Federal Firearms Seizure Initiative, the Government's priority continues to be a commitment to addressing ongoing public safety concerns, including serious and violent crime, human trafficking, gang violence, organized crime and drug trafficking and it is not a Government priority to pursue offences for the continued possession of firearms prohibited through the Federal Firearms Seizure Initiative, or for using reasonable force to defend oneself and others in one's home;
- (e) direct the Minister of Public Safety and Emergency Services to take any necessary steps consistent with the law to prevent any municipal police force, regional police force or contracted RCMP police force from assisting with or participating in the Assault-Style Firearms Compensation Program;
- (f) direct the Minister of Public Safety and Emergency Services to take any necessary steps consistent with the law to ensure that the right of all Albertans to use reasonable force to defend themselves and others in their own homes is respected;
- (g) direct any member of Executive Council to take any necessary additional measures to oppose the Federal Firearms Seizure Initiative;
- (h) take all reasonable steps to meaningfully address crime through measures that protect public safety without interfering with the rights of law-abiding Albertans.
