

## Guide to the 2014 Speaker Index

**Committee mandate:** The Standing Committee on Alberta's Economic Future is an all-party committee consisting of 15 Members of the Legislative Assembly. It may meet to review a bill or to consider an issue referred to it by the Assembly, and can also meet on its own initiative to consider issues within its mandate. The mandate of the Standing Committee on Alberta's Economic Future relates to the areas of agriculture and rural development; international and intergovernmental relations; innovation and advanced education; tourism, parks, and recreation; and infrastructure.

There are two indexes for the transcripts of meetings of the Standing Committee on Alberta's Economic Future, a **subject index** and a **speaker index**. Committee activities during the 28th Legislature, Second Session (March 3 – September 18, 2014) are listed below along with corresponding transcripts.
