The committee completed the review of the *Adult Guardianship and Trusteeship Act (Bill 24, 2008)*.

The committee began the review of *Health Information Amendment Act (Bill 52, 2008)*, but did not complete it; it was completed during the 2009 session of the Legislature.

The committee also held public meetings and an inquiry during which presentations were made on topics related to the mandate of the committee.

2) Submissions to the committee

To find information about oral presentations and written submissions to the committee on a main heading topic, look for subheadings under that topic that begin with *Presentation by* and *Written submissions re*.

To locate information about oral and written submissions on the review of bills, go to *Adult Guardianship and Trusteeship Act (Bill 24, 2008)–Review (Oral/written submissions on)* and *Health Information Amendment Act (Bill 52, 2008) Review (Oral/written submissions on)*.

To locate the names of all stakeholders who provided oral presentations for the review of bills, go to *Adult Guardianship and Trusteeship Act (Bill 24, 2008)–Review (Oral/written submissions received during)* and to *Health Information Amendment Act (Bill 52, 2008) Review (Oral/written submissions received during)*.

To locate the names of presenters at the public meetings and inquiries, go to *Committee on Health, Standing–Public meetings and inquiries (Presentations received during)*.

Alternatively, there is also a main heading for each stakeholder group that provided feedback to the committee.

3) Final report on the Adult Guardianship and Trusteeship Act (Bill 24, 2008)

The committee issued a final report for the review of the *Adult Guardianship and Trusteeship Act (Bill 24, 2008)*.

To locate information about this final report, go to *Adult Guardianship and Trusteeship Act (Bill 24, 2008)--Review (Final report on)*.

To locate main entries for the recommendations in the final report, go to *Adult Guardianship and Trusteeship Act (Bill 24, 2008)--Review (Recommendations of)*.

4) *Final report on the Health Information Amendment Act (Bill 52, 2008)*

Because the committee did not complete the review of this bill during the first session, they did not issue a final report. To locate the final report, which was tabled in the spring of 2009, see the index for the second session (2009) under the heading *Health Information Amendment Act--Review (Final report on)*.
