

Guide to the 2010 Speaker Index

Committee mandate: Standing Committee on Health is an all-party committee consisting of 12 Members of the Legislative Assembly. Its mandate relates to the areas of children and youth services, health and wellness, and seniors and community supports.

There are two indexes for the transcripts of meetings of the Standing Committee on Health, a **subject index** and a **speaker index**. Committee activities during the 27th Legislature, Third Session (February 4, 2010, to February 21, 2011) were as follows.

Main estimates (budget) debates for the 2010-11 fiscal year for the following government departments:

Children and Youth Services
Health and Wellness

Seniors and Community Supports

Freedom of Information and Protection of Privacy Act review

The committee began the review of the Freedom of Information and Protection of Privacy Act in April 2010 and completed it in October 2010. The final report was published in November 2010 as Review of the Freedom of Information and Protection of Privacy Act. To locate main entries related to the review, look for **FOIP review** following a main entry, for example:
