
Guide to the 2011 Speaker Index

Committee mandate: The Standing Committee on the Alberta Heritage Savings Trust Fund is an all-party committee consisting of nine Members of the Legislative Assembly. It annually reviews and approves the fund’s performance, business plan, and annual report; receives and reviews the quarterly reports on the fund’s operations and results; holds public meetings with Albertans to report on investment activities and results; and reports to the Legislature on whether the mission of the fund is being fulfilled.
