

## Guide to the 2022 (Fourth Session) Speaker Index

**Committee mandate:** The Standing Committee on Legislative Offices approves the budgets of the officers of the Legislature, including the Auditor General, the Chief Electoral Officer, the Child and Youth Advocate, the Ethics Commissioner, the Information and Privacy Commissioner, the Ombudsman, and the Public Interest Commissioner, and reviews the salaries of the officers on an annual basis. The committee reviews officers' requests regarding proposed changes to legislation and forwards the recommendation to the appropriate ministry; the committee does not have the mandate to approve changes to legislation.

There are two indexes for the transcripts of meetings of the Standing Committee on Legislative Offices, a **subject index** and a **speaker index**. Interim indexes are unedited and are not considered official. Committee activities during the 30th Legislature, Fourth Session (November 29, 2022 – ) are as follows.
