

## Guide to the 2019-2020 Subject Index

**Committee mandate:** The Special Standing Committee on Members' Services comprises 11 Members of the Legislative Assembly. The Speaker is traditionally the chair of this committee, which approves the annual estimates of the Legislative Assembly Office and may modify regulations, orders, or other directives governing the office's financial and personnel administration. The committee also sets members' allowances, constituency office allowances, and members' benefits and establishes human resource, informatics, and financial management policy for the Legislative Assembly Office.

There are two indexes for the transcripts of meetings of the Standing Committee on Alberta's Economic Future, a **subject index** and a **speaker index**. Interim indexes are unedited and are not considered official. Committee activities during the 30th Legislature, First Session (May 21, 2019 – February 24, 2020) are as follows.
